

COACHES ASSOCIATION OF ONTARIO 2010 "COACHING EXCELLENCE AWARD"

The Coaches Association of Ontario (CAO) Coaching Excellence Awards aim to recognize the outstanding achievements and significant contributions coaches have made to both their sport and athletes in Ontario. The selection of recipients is based on their unique contribution to sport through continuous development. The awards do not reflect the accomplishments of a coach in any one year; rather the award is designed to recognize the contributions a coach has made over a period of years.

OFSAA is responsible for the selection of the male and the female coach in the School Sport Athletes category. This award is open to active teacher coaches with a minimum of 5 years coaching experience. Nominated coaches must have coached 2 or more sports in a school year over the period of 5 years. The nominated coach must have influenced the development of new coaches and have shown evidence of program building as well as encouraging athletes to give back to sports. Furthermore the nominated coaches' coaching style has proven to be ethical, demonstrated sportsmanship and positive game behaviour.

Nominations will only be accepted from association representatives in the identified regions.

For 2010 each association in the below identified region is encouraged to select 2 nominations for submission to the selection committee.

Male nominations to be received from:

Region 4 (West): CWOSSA, SWOSSAA, WOSSAA

Region 5 (South): GHAC, ROPSSAA, SOSSA

Region 6 (Metro): CISAA, TDCAA, TDSSAA

Female nominations to be received from:

Region 1 (North): NEOAA, NOSSA, NWOSSAA

Region 2 (Central): GBSSA, LOSSA, YRAA

Region 3 (East): COSSA, EOSSAA, NCSSAA

In addition to the attached nomination form, associations may attach any supporting documents (i.e. Letters of reference, news articles, etc.)

Nominations are due Monday, November 23rd 2009.

Please feel free to use the attached nomination form, or email a separate document.

Completed nominations can be sent to:

Michael Suraci
