N.O.S.S.A. CONSTITUTION**1. Reference: Section 3 – Annual Meeting
Subsection (e), page 7**

Whereas,
NOSSA has benefitted from charitable fund raising activities in the past,

And whereas,
Proceeds from FTE membership fees have declined over the years while costs have increased,

And whereas,
NOSSA only benefits financially from INNVEST Hotels rebates, INNVEST Hotels web sponsorship fee and a nominal amount from NOSSA Medal purchases by the NOSSA Districts,

And whereas,
The increasing costs coupled with declining revenues have put a financial burdeon on its financial viability,

Be it resolved that,
Section (d) be changed to read: “At the Annual Association Meeting, the host district shall provide a continental breakfast and noon-hour meal for all attending members and guests. The expenses for the AGM and the Resolutions meeting shall also be covered by the host district. The Association shall cover the expenses for the Resolution Committee members as outlined in Section 2: Resolutions Committee (b).”

Laura Aubertin (Treasurer) – Dave Makela (Secretary)

Action: CARRIED.

End of Constitutional Motions.

N.O.S.S.A. PLAYING REGULATIONS - COED

BADMINTON MOTIONS for 2022 NOSSA AGM:

#1 - Reference – COED Playing Regulations, page 2

Under FORMAT, eliminate (c) in its entirety.

Kim Lidstone (Korah) – Lizette Langois-Rheault (N-Dame)

Action: CARRIED.

Rationale: 10-12 courts are not always used to host NOSSA, but regardless, the number of courts is irrelevant. For as long as I have been involved in badminton, I do not recall anybody ever running the tournament this way. Typically Singles, Doubles, and mixed are all played together so that they finish together and then we have our awards ceremony.

#2- Reference – COED Playing Regulations, page 3

Under FORMAT, section (f)

Reads presently: “Games one to eight in each draw are to be played on the Friday evening”.

Change to read as follows: “NOSSA Badminton will take place on a Thursday/Friday, 2-3 weeks before OFSAA, with Games 1-8 in the draw being played on the Thursday night.”

Kim Lidstone (Korah) – Lizette Langois-Rheault (N-Dame)

Action: CARRIED.

Rationale: Reflects actual practice.

1. Cross Country**Reference: Eligibility**

Add to section as follows: "Athletes must compete in the same age category for both the district championship and NOSSA championship. As per Nossa Constitution Article VII: Eligibility, Section 4: Participation requirements b) A player may not play in one age division in District play-offs and another in N.O.S.S.A.."

Kerry Abols (Lockerby) – Karin Augenstein (Lockerby)

Action: CARRIED.

2. Curling**Reference: Time-Outs**

In the event of a tie at the conclusion of a game, an extra end towards the home end shall be played until such time as a winner is declared. If the game goes into extra ends, there shall be a three (3) minute break for consultation between the coach and curlers at the end of the eighth end. Each team may call one 60-second time-out during each extra end. Time-outs shall not be carried forward to the extra end(s) or from one extra end to another.

David Gallant (Espanola) – Joey Dimaio (Notre-Dame)

Action: CARRIED.

Rationale: Brings the rule in line with OFSAA playing regulations.

3. Curling**Reference: Time-Outs**

The Coach of the team that called the time out may access the playing surface. Neither the Coach or team members may confer in the house. Coaches must wear appropriate footwear to access the ice surface.

David Gallant (Espanola) – Joey Dimaio (Notre-Dame)

Action: CARRIED.

Rationale: Rocks could be moved with five people standing in the house. Standing in one spot for a prolonged period of time could damage the ice surface.

.../5

4. Curling**Reference: Add the following**

Each team's draw to the button for the first four round robin games will be measured in cm. A rock covering the button will be measured as zero (0) cm. Rocks that are not in the house receive a measurement of 185 cm. The sum in cm of all of a team's draws to the button will be used for tie-breaking.

Joey Dimaio (Notre-Dame) – David Gallant (Espanola)

Action: CARRIED.

Rationale: As in OFSAA rules. Most leagues do not use this type of tie-breaking procedure so is a great inclusion so curlers understand competition protocols.

5. Curling**Reference: Curling Round Robin Pool Play Schedule**

Reads presently: "Set up with 2 Pools of 4 teams in a 2-day event on 4 sheets of ice"

Change to read as follows: "At a minimum set up 2 pools of 4 teams in a 2-day event on 4 sheets of ice. If a club has 5 sheets—use 4 sheets. If a club has 6 or 8 sheets draw can be modified so boys and girls play at the same time but same format".

Joey Dimaio (Notre-Dame) – David Gallant (Espanola)

Action: CARRIED.

Rationale: At present there is no allowance to change the draw if more than 4 sheets of ice are available at the chosen Curling Club. By modifying the basic layout for 6 or 8 sheets Day 1 and Day 2 of the event can be started and finish at more reasonable times. Also, this allows the Club to still generate financial gain from their league play which is normally held after 6:00p.m. Travelling teams will be able to travel back home earlier.

6. Golf**Reference: Eligibility**

Add to existing section as follows: "Only those male golfers who recorded an aggregate score of 110 and female golfers who recorded an aggregate score of 120 at their respective district competitions will be deemed eligible to participate".

Cory Abraham (Elliot Lake) – Laura Tagliafierro (Bishop)

Action: DEFEATED.

Rationale: Helps address pace of play concerns.

.../6

7. Tennis

Reference: Entries, page 33

Reads presently: The NOSSA Tournament shall be a (4) four team single elimination tournament with each district guaranteed one entry. When only two (2) districts compete in an event, each gets two (2) entries. When three (3) districts compete in an event the host district gets two (2) entries.

Revise to read as follows: The NOSSA tournament shall be a four (4) team round-robin tournament with each district guaranteed one (1) entry. No playoff match will be played. If there is a tie between teams after the round-robin, the head-to-head matches between the tied teams will be the tiebreaker. If teams are still tied, the number of games will be looked at to break the tiebreaker.

In the case that an event has two (2) or less entries, the Open and High School divisions will be combined for the competition but will still qualify for OFSAA in their respective divisions.

When only two (2) districts compete in an event, each gets two (2) entries. When three (3) districts compete in an event the host district gets two (2) entries.

The NOSSA tournament will have two (2) divisions, as there is at OFSAA; there will be the Open Division and the High School Division.

Open: An Open Division player must have won a minimum of two (2) rounds in total (one [1] round or more in a tournament and/or at a later date wins a round in another tournament) in 3-star Ontario Tennis Association (OTA) tournaments or higher or the equivalent (USTA, European Championship) in the three years prior to the beginning of the school year. Any player who has ever played in the Canadian Nationals or any players that has ever played in any U-14, U-16, or U-18 provincial championships shall also be considered an open player. A bye, defaulted or retired match in an OTA event does not constitute a win.

High School: any player who has not met the above criteria for an Open player.

This means that each district may submit one (1) entry into the Open division (only if they legitimately qualify as an Open athlete), and one (1) entry into the High School division per category.

Kareena Lindsay (Elisabeth-Bruyère) – Luc Villeneuve (Odyssee)

Action: CARRIED.

Rationale: To fall in line with OFSAA playing regulations.

.../7

8. Tennis**Reference: Length of Games, page 33**

Reads Presently: “All matches will be pro game 10 game sets with “no ads”. Tie breaker at 9-9 (it shall be up to the discretion of the convener to decide if the “No ADD rule” will apply, or whether they will use Adds. The convener may also decide upon the length of sets depending upon time available. This will depend upon the time available and the number of courts available). Finals will be 10 game sets “with ads”. Tie breaker at 9-9. If challenge match is required, play 8 game pro set with tie breaker at 7-7”.

Revise to read as follows: “All matches will be an 8-game pro set, using no-ad scoring. Tiebreaker will be played at 7-7” .

Kareena Lindsay (Elisabeth-Bruyère) – Luc Villeneuve (Odyssee)

Action: CARRIED.

Rationale: To fall in line with OFSAA playing regulations.

9. Tennis**Reference: General, pages 33-34****Reads presently:**

- a) Events - girls singles, girls double, mixed doubles, boys singles, boys doubles (championship flight only).
- b) Competitors may only enter one event.
- c) With each entry, the coach should include a resume of any awards or ranking in national, provincial or local tournaments to assist the convener in seeding of players. Otherwise, the past performance of the competitor in other previous tournaments should be noted.
- d) Dress - "whites" are preferred and running shoes but school gym uniforms or sweatsuits are also acceptable.
- e) Tennis balls will be supplied for all events.

Revise to read as follows:

10. Tennis**Reference: Points, Page 34****Reads Presently:**

There will be gold medals for each division winner, silver for second place finishers and ribbons for third and fourth place finishers. There will also be a championship banner for the school with the most overall points. The following breakdown will be used to award points based on finish: 1st = 10 points, 2nd = 7 points, 3rd = 4 points, 4th = 2 points.

Revise to read as follows:

There will be gold medals for each division winner, silver for second place finishers and ribbons for third and fourth place finishers. There will also be a championship banner for the school with the most overall points in the high school division. The following breakdown will be used to award points based on finish: 1st = 10 points, 2nd = 7 points, 3rd = 4 points, 4th = 2 points

If there is a minimum of three (3) Open players/teams, then an Open banner will also be awarded using the same points system.

In the event of a tie for points, the school with the most 1st place finishes will win the banner, if still tied, then the school with the most 2nd place finishes wins the banner and so on until the tie is broken.

TREASURER'S REPORT 2022

As the NOSSA Resolutions Meeting and Annual General Meeting is held virtually through ZOOM, we continue to improve our financial picture. In May of this year, will be clearing our loan from SDSSAA and will retain a small amount of funds. These meetings are a significant amount of our expenditures. A motion has been put forward to place this financial responsibility on the AGM host district. The host district is currently responsible for organizing these meetings according to the NOSSA Constitution requirements. NOSSA does generate funds from FTEs, medal purchases, INNVEST Hotels Rebate and INNVEST Hotels Web Sponsorship. These fees generally go toward awards that are presented at the AGM, insurance (Risk Insurance and Directors Insurance), OFSAA SAC Meetings, Service Charges and Operating Expenses.

Our INNVEST Hotels Web Sponsorship was not collected last year as the Executive felt that due to NOSSA not holding its championships, INNVEST Hotels did not benefit from its sponsorship. Also, this year, the Executive decided that collecting half the sponsorship amount was fair to NOSSA and INNVEST Hotels as NOSSA held a reduced number of championships. INNVEST Hotels have a link on NOSSA's web page that makes convenient to book hotel rooms. NOSSA receives a rebate for these bookings and you can save up to 15% off the cost. A list of participating hotels is included. A reminder to NOSSA Convenors to "include the current information and links that are provided by INNVEST Hotels and promote the booking of accommodations that are designated for rebate to NOSSA." as per our constitution.

Due to the uncertainty of holding NOSSA Championships these past two years, the invoices for NOSSA medals were delayed. As a result, some of the funds for NOSSA Awards will not be reflected in our Balance Sheet until next year. As well, NOSSA received a short term loan to cover the cost of the medal invoice from King Sportswear. This loan will be repaid once all the Awards moneys have been received. Thanks to Dave Makela for sorting out this issue.

I would like to thank the District Secretaries for their assistance and cooperation and to all NOSSA members for your continuing support of secondary school athletics.

Respectfully Submitted,

Laura Aubertin
NOSSA Treasurer

2022 N.O.S.S.A. REPORT FROM THE SECRETARY

Reviewing last year's report chronicling the cancellation of the 2020-2021 high school sports season as a whole, I think that 2021-2022 might be viewed as an improvement, but certainly nowhere close to what we might consider a "normal" championship season.

Of the forty championships planned, thirty managed to proceed, albeit with reduced numbers of teams/participants due to covid-related concerns. Fall sport OFSAA championships also proceeded with smaller numbers but their winter sport counterparts were cancelled, and with a covid-related pause inserted in the middle of local seasons, most NOSSA winter sport championships were rescheduled and caused local seasons to extend beyond March break.

Those regional championships that managed to proceed were hosted with the best intentions and provided the best competitive experience to student-athletes that was possible under the circumstances. To this end, NOSSA is grateful to local conveners who stepped forward on short notice to fill whatever gaps they could in the activity calendar.

Though recently an uptick in covid variants BA1, BA2 and now a hybrid XE is being recorded, hopes are high that from this point forward, the championship spring schedule will be able to proceed unabated and to this end, a full slate of OFSAA Spring Sport Championships are being planned.

Looking ahead, the NOSSA web calendar will continue to be the sole source for NOSSA championship event info during the 2022-2023 school year. Once information has been received from local conveners, it will be linked to the calendar and updated when necessary.

Starting in the fall, any tournament information I receive will simply be forwarded to the NOSSA email contact list. Any tournaments hosted by NOSSA schools will be featured in the NOSSA web calendar as well.

District secretaries are requested to forward any information shared to the coaches in their respective districts who could not attend the AGM to keep them updated on NOSSA policies and procedures. District Secretaries are also requested to pass along any changes to their school contact information so email contact lists can be kept up-to-date.

Finally, to those members retiring this year, all the best in your "second careers" and sincere thanks are extended as always for your generous and invaluable support over the years.

Yours in high school sport,

Dave Makela,

Secretary

OFSAA Report to NOSSA Delegates 2021-22

Firstly, Kim Chezzi and I would like to thank all NOSSA delegates for attending today's meeting.

Its usually at this point of our report that we thank the host district for hosting the AGM and the Hospitality Suite on the Thursday night. Thanks to Covid, that hasn't happened. But we do need to thank one person – Dave Makela. He's been on the ball, so-to-speak, since the beginning keeping things up and running not only for his own district, but for the whole of NOSSA. It looks like things are semi-normal (what is that?!?!?) and I look forward to next year being a full year of Asociation Championships. As well, thanks to Laura Aubertin for doing the best at keeping our finances in order.

As well, we'd like to thank the NOSSA District Secretaries and Presidents that also lend a hand in ensuring a level of professionalism that makes us the envy of all Associations in the province.

Secondly, we would like to congratulate all the athletes, teams and coaches that represented our association at the various championships. It's nice to go to the meetings and know that not only do our teams perform well; they are also very well behaved, which is a true testament to the quality and leadership of our teacher/coaches. As for hosting OFSAA championships, our association took on the task of hosting Boys AA Volleyball (Craig Nodwell). The event was huge success, well run and received nothing but positive feedback from all those that attending.

The CIAAA and OFSAA are continuing their partnership – now into its 5th year - to provide support and professional development for athletic coordinators/directors within secondary schools across Ontario. There have been several courses already delivered. Jim Barbeau is the lead contact with this initiative, and he can be reached at the office. They have run numerous courses to over 200 Athletic Directors around the province with many more courses planned before the end of the year.

The OFSAA Virtual Coaches' Café and OFSAA Student Forums have been a big success sand are a silver-linings from the Pandemic. Kim and I, will continue to send you updates with regards to these types of initiatvies offered by OFSAA

There were a few changes to OFSAA By-laws and also to various playing regulations at our recent AGM and we've highlighted them below. As well, the full Order Paper, with the outcome of the motions, can be viewed on the NOSSA Website. Regarding this, both Kim and I cannot emphasize this enough that its absolutely imperative that Program Leaders, athletic heads of

departments and other teacher/coaches read and review the OFSAA Order Paper and provide us with feedback to assist us in voting. OFSAA AGM highlights:

Doug Gellatly is retiring at the end of the year. His replacement will be chosen by the end of May in order to assure a clear and concise transition. He has been instrumental in keeping OFSAA relevant and up to date within our province. He will be missed, but we wish him well in his well-earned retirement.

- Girls Slo-Pitch will be an official OFSAA Festival as of next year. It will be played in the Spring.

Due to safety concerns, Wrestling has adopted new and more definitive weight classes in the OFSAA playing regulations. As well, they've adopted a much more comprehensive scoring system for team championship points.

- Transfer changes: Exchange Students are required to fill out Transfer forms beginning next year.
- If your team (or school's team) has qualified for an OFSAA championship, please adhere to the entry deadlines. If you feel we cannot (for various reasons) please contact either Kim or me.
- Colin Hood School Sport Awards - info available – please use the contact page on the OFSAA Website– deadline for order is June 3.
 - The OFSAA website underwent a big change – mostly due to using an outdated platform. The staff took advantage of the Covid restrictions to update and create the OFSAA Hub. If you require assistance in managing this, please contact Shamus via email

- For all OFSAA Programs, please visit the website at www.ofsaa.on.ca for information regarding Try Day, Bridging the Gap, KidSport Financial Assistance, Coaching in Ontario Schools (CIOS), Scholarships and the Officials Clinic Subsidy Program.

- The Three-Year Calendar for OFSAA championships is not complete for the 2022-23 school year. If you'd like to host a championship for any of the next 3 school years, please contact Kim or myself. You will be required to fill out The Championship Bid Process Form that is available on the Website.

- Scholarships (see website for info): OFSAA Alumni – Maple Leafs Alumni – Brian Maxwell.
 - Changes were made to the way additional entries are dealt with now. I.e: more added transparency and a clear and precise order for OFSAA Convenors to follow.

Respectfully submitted, Kim Chezzi and Tim Lowe OFSAA Female and Male representatives to OFSAA Reps Council

Conveners must notify all schools of changes in playing dates at least one month in advance. District Secretaries must bring a list of conveners to the Resolutions Meeting for activities for which their district is responsible. If a district is unable to host an activity due to a strike or work to rule, then the convenership of that activity will go to any other district who requests it. Districts have until first Friday of the school year to confirm their participation in NOSSA junior boys football.
