Thursday, April 27<sup>th</sup>, 2023 – 9:30am

### - ORDER PAPER -

#### NOTICES OF MOTION TO O.F.S.A.A.

##### 1. Cross Country

Reference: Schedule

“That the order of races at the OFSAA cross country running championships be changed to:

- i. Senior Girls
- ii. Senior Boys
- iii. Junior Girls
- iv. Junior Boys
- v. Para
- vi. Novice Girls
- vii. Novice Boys”

*Karen Passi (Lasalle) – Jeannette Lankshear (Sud Secondary)*

**Action: CARRIED.**

**Rationale:** The previous order caused senior athletes competing in the most important and perhaps their final high school race of their lives to wait several hours before their scheduled start. This start order allows senior racers to be at their best.

***End of Motions to OFSAA.***

## N.O.S.S.A. CONSTITUTION

### 1. Reference: Article 7 - Eligibility Add to section 2, subsection (e) - new

NOSSA is committed to providing student-athletes with equal opportunities to participate in school sports consistent with their gender identity. All students have the right and are welcome to play for the sports team or sports activity that best aligns with their gender identity, regardless of their assigned sex at birth. All students may participate in any NOSSA sport, although they may only play on one team in the same sport (team or individual) during a school year. The above statement should be applied in a way that is consistent with OFSAA's vision, mission and values.

*Kim Chezzi (Lively) – Ashley Gattoni (Marymount)*

**Action: CARRIED.**

**Rationale:** To align with current OFSAA policy.

### 2. Reference: Article V – Committees, Meetings and OFSAA Representatives Add new section 6 entitled “Land Acknowledgement”

“NOSSA will begin using Land Acknowledgements at the beginning of in-person events (e.g., Annual General Meeting), gatherings and meetings. NOSSA suggests that host schools use the Land Acknowledgement their school already has in place for their events. It is important to understand that Acknowledgements are culturally contextual and flexible in nature. Schools and event organizers should work with Indigenous guests, community members and their school board to make adjustments as needed. If event organizers have questions regarding the Land Acknowledgement, they are advised to contact the Indigenous Education Leader or FNMI Coordinator within their school board”.

*Craig Runciman (Lockerby) – Ashley Gattoni (Marymount)*

**Action: CARRIED.**

**Rationale:** To align with current OFSAA policy.

**3. Reference: Article VII, Section 4(d), Page 11**

Whereas,

OFSAA has a specific process in place that schools must follow in order to “twin” to form sports teams,

And whereas,

NOSSA schools must adhere to these requirements if they want to preserve their eligibility to advance to OFSAA Championships,

And whereas,

The current reference in the NOSSA constitution is outdated and does not specify steps that schools must follow to successfully twin,

Be it resolved that,

The exceptions listed under section 4(d) be removed in their entirety and replaced with the following:

Add under “Exceptions”:

NOSSA schools that enter an official twinning arrangement in accordance with OFSAA By-Law 5, Section 3(b) may combine to form teams.

Add section entitled “Twinning Guidelines and Procedures” as follows:

1. Twinning arrangements do not become official within NOSSA until upon confirmation of receipt in writing from the NOSSA Secretary and/or President.
2. Twinning arrangements are only in affect for the school year in which they are requested and must be renewed annually to keep them in place.
3. Team sports are included in twinning arrangements only – not individual sports with a team component.
4. The written submission must confirm that:
  - a. the school administration of both schools support the mutual arrangement of co-participation,
  - b. that smaller of the two schools enrolls less than 100 students (240 for football),
  - c. that the smaller of the two schools does not offer the school sport activities in question, and,
  - d. that the two schools involved are the closest schools to one another according to their school addresses.

*Kim Chezzi (Lively) – Terry Lyn Della Penta (Superior Hts)*

**Action: CARRIED.**

**Rationale:** Establishes an official twinning procedure within the NOSSA constitution.

.../5

**4. Reference: Article IX – Finances  
Revise (d) and add new item (e)**

Whereas,

The insurance is indicated by Sports Liability and not Liability and Crime insurance,

And whereas,

There is no provision in the NOSSA constitution as to the cost of all or the remainder of the Sport Liability Insurance premium,

And whereas,

The partnership agreement with InnVest Hotels has been renegotiated until August 31<sup>st</sup>, 2023 with options to extend the agreement,

Be it resolved that,

(d) The cost of Sport Liability Insurance will be offset in part of full with rebate revenes from InnVest Hotels. Remaining insurance premiums will be covered by the NOSSA Districts with the amounts calculated based on the District's FTE percentage. The treasurer will calculate the amounts and issue and invoice to the District's Treasurer by the end of September whih is to cover the cost of the previous year's Sport Liability Insurance. Payment is to be made to the NOSSA Treasurer by October 31<sup>st</sup>.

*Terry Lynn Della Penta (Sup Hts) – Kim Chezzi (Lively)*

**Action: CARRIED.**

**5. Reference: Article IX – Finances  
Add new item (f)**

Whereas,

NOSSA is obliged to conform to the Ontario Not-for-Profit Corporation Act (ONCA),

And whereas,

The cost of the ONCA review process is approximately \$2500 to \$3500 less an unspecified rebate from OFSAA,

Be it resolved that,

The cost of the ONCA process will be divided equally between the four districts of NOSSA.

*Scot Quarrington (WFSS) – Terry Lyn Della Penta (Sup Heights)*

**Action: CARRIED.**

***End of Constitutional Motions.***

- iii. Senior Girls
- iv. Senior Boys
- iii. Junior Girls
- iv. Junior Boys
- v. Para
- vi. Novice Girls
- vii. Novice Boys”

*Karen Passi (Lasalle) – Jeannette Lankshear (Sud Secondary)*

**Action: CARRIED.**

**Rationale:** The previous order caused senior athletes competing in the most important and perhaps their final high school race of their lives to wait several hours before their scheduled start. This start order allows senior racers to be at their best.

**2. Curling****Reference: Entry, rule 1, page 13**

Whereas,

Increasing team size helps grow the game and teach skills to a greater number of students,

And whereas,

If a team qualifies for NOSSA with a six (6) player roster, paring down the roster to five (5) for the NOSSA event can be an extremely painful and awkward process,

And whereas,

Increasing the number of curlers permitted to six (6) lowers the chance that teams will have to compete with fewer than four,

Be it resolved that,

Section 1 be changed to read: “A team may consist of six (6) players, any four (4) of whom may be designated to play in a game. All six (6) curlers must be listed on the entry form.”

*Louise Logan (Sacré-Coeur) – Karen Luczak (Lo-Ellen)*

Reads presently:

A team may consist of five (5) players any four (4) of whom may be designated to play in a game. All five (5) curlers must be listed on the entry form. Every team must have four (4) players available to start the competition.

Change to read as follows:

A team may consist of five (5) players, any four (4) of whom may be designated to play in a game. All five (5) curlers must be listed on the entry form. Every team must have four (4) eligible players available to start the competition.

*Joanna Castonguay (Renaissance) – JoAnne Gagnon Beauchamp (Renaissance)*

**Action: WITHDRAWN.**

**Rationale:** This is more specific

### 4. Curling

**Reference: Entry, Page 13 – rule 2**

Whereas,

All games must start with four (4) eligible players.

And whereas,

Under the Curling Canada Rules, section Teams – Rule 5 (c) A team may play with three (3) players with the first two (2) players each delivering three (3) consecutive stones in each end. Under no circumstance may a team play with fewer than three (3) players delivering stones.

And whereas,

Not every association is able to provide a spare pool of players when illness or injury occurs.

Be it resolved that,

Rule 2 be deleted in its entirety.

*Alexis Ness (Korah) – Kim Policicchio (Korah)*

**Action: DEFEATED.**

**5. Curling****Reference: Entry, rule 2, page 13**

Reads presently:

All games must start with 4 eligible players.

*Remove in its entirety.*

*Joanna Castonguay (Renaissance) – JoAnne Gagnon Beauchamp (Renaissance)*

**Action: WITHDRAWN.**

**Rationale:** Redundant, if previous motion passes, it is already stated in #1.

**6. Curling****Reference: Entry, rule 2, page 13**

*Add the following:*

*If one player is sick, injured or unable to continue playing after the first game of competition, the team should be allowed to continue playing with 3 players.*

*Joanna Castonguay (Renaissance) – JoAnne Gagnon Beauchamp (Renaissance)*

**Action: WITHDRAWN.**

**Rationale:** Follows Curling Canada's rules.

**7. Curling****Reference: Substitution, page 14**

Currently reads: Each team may substitute a maximum of two players at the beginning of an end. Coaches making a substitution should inform the opponent's coach of their intentions.

*Change to read as follows:*

*Each team may substitute a maximum of one player at the beginning of an end.*

*Joanna Castonguay (Renaissance) – JoAnne Gagnon Beauchamp (Renaissance)*

**Action: WITHDRAWN.**

**Rationale:** Since the team is only comprised of 5 players on their roster, there shouldn't be a second substitute available, unless we allow each team to have 6 players on their roster.

.../9

**8. Curling****Reference: Substitution, page 14 – a new section (iii)**

Whereas,

Some associations are unable to provide a pool of spare players,

And whereas,

Sometimes players are unable to play due to injury or illness,

And whereas,

Under Curling Canada rules, section Teams – Rule 5(c) A team may play with three (3) players with the first two (2) players each delivering three (3) consecutive stones in each end. Under no circumstances may a team play with fewer than three (3) players delivering stones.

Be it resolved that,

When no spares are available, a team of three (3) eligible players may continue to play the remainder of the competition. A team may play with three (3) players with the first two (2) players each delivering three (3) consecutive stones in each end. Under no circumstances may a team play with fewer than three (3) players delivering stones.

**Action: CARRIED.**

**9. Curling****Reference: Substitution, page 14**

Add the following:

*Joanna Castonguay (Renaissance) – JoAnne Gagnon Beauchamp (Renaissance)*

**Action: CARRIED.**

**Rationale:** It should not be limited to only if a player is injured or sick, teams should be allowed to use all the players on their roster as they see fit. How else are team members supposed to get experience playing in game situations?

**10. Curling****Reference: General, Page 16 – rule 6**

Whereas,

A minimum of 30 minutes prior to game time, the opposing vices will meet behind the glass of their designated sheets to toss a coin for choice of last rock or colour. The team with last rock will have first practice,

And whereas,

In rule 17 a draw to the button determines the team who has last rock (hammer),

And whereas,

The winner of the coin toss should get the option to choose which practice they want.

Be it resolved that,

Delete “choice of last rock and add choice of practice”

Delete “the team with last rock will have first practice”

Add “choice of first or second practice”.

*Alexis Ness (Korah) – Kim Policicchio (Korah)*

**Action: CARRIED.**

**13. Curling****Reference: General, Page 16 – rule 9**

Whereas,

The C.C.A. rules regarding the “Free Guard Zone: will be in effect for both Boys’ and Girls’ playdowns.

And whereas,

At the NOSSA Volleyball Tournaments (A, AA, AAA or B), the Convener, where possible, must use trained or certified people to serve as lines people.

*Joanna Castonguay (Renaissance) – JoAnne Gagnon Beauchamp (Renaissance)* **Action: DEFEATED.**

**Rationale:** Changing her to the makes it gender neutral. In volleyball, the referees are certified and must be registered with OVA, they are not rated. In volleyball there is no umpire and if they are all certified it doesn't matter who is the first or second referee. Lines people can be trained or certified, they are not rated and they must be trained for all categories.

**10. Volleyball****Reference: Schedule, fourth paragraph – Page 27**

Reads presently:

When two teams from the same district are involved in one particular NOSSA tournament, that the two teams from that same district play each other in the second round of the tournament (exception: 6 team draw).

Add as follows:

If there are two local teams entered, they may be scheduled to play in the first round.

*Stephen Beausoleil (Lockerby) – Sherry Green (Lo-Ellen)*

**Action: CARRIED.**

**Rationale:** There is no advantage of two local teams playing each other in the 1st round. Allowing the two local teams to play each other in the first round provides more time for traveling teams to get to the venue

## OFSAA Report to NOSSA Delegates 2022-23

Firstly, Kim Chezzi and I would like to thank all NOSSA delegates for attending today's meeting.

I would like to begin by taking the opportunity to thank certain people that deserve to be recognized for the work they do to ensure that we are able to offer all that we have to offer.

- Kim Chezzi – a wonderful co-representative who does a fantastic job representing our association at OFSAA.
- Laura Aubertin – for taking the time in her retirement to put in the work for all of the NOSSA membership.
- Heather Chambers – where would we be without this Hall of famer.
- Dave Makela – the face of NOSSA – we could never pay back our debt of gratitude for all that he does for all of NOSSA. His knowledge and professionalism allow the rest of us to perform the necessary tasks in running high school athletics. His support is undeniable and amazing.
- School athletic leaders – it's a thankless task and we commend you for doing an outstanding job.
- District and association convenors – its also a thankless task (insert SNOWDAYS RE-SCHEDULING HERE). Without you, who knows what we would do.
- NOSSA District Presidents and Secretaries – for lending a hand in not only running your local associations but also making NOSSA the envy of all the associations that make up OFSAA.
- And last but not least the coaches – they are the backbone of what we do – undervalued and overworked. They spend thousands of hours away from their families and loved ones. They are the embodiment of H.S. sports and Kim and I are proud to represent you at OFSAA.

Secondly, we would like to congratulate all the athletes, teams and coaches that represented our association at the various championships. It's nice to go to the meetings and know that not only do our teams perform well; they are also very well behaved, which is a true testament to the quality and leadership of our teacher/coaches. As for hosting OFSAA championships, our association took on the task of hosting 2 of them – Boys A Volleyball in Sudbury – Marc Savage (MacDonald-Cartier) and Patrick Gervais (L'Horizon) did an absolutely amazing job in providing a super experience for all the participants as they provided an insight to French-Canadian culture. As well, the Boys and Girls Curling was held in North Bay – Dan Coutu from West Ferris and his committee did an amazing job as well. Both events were a huge success, well run and received nothing but positive feedback from all those that attending.

The OFSAA Virtual Coaches' Café and OFSAA Student Forums have been a big success and are a silver-linings from the Pandemic. Kim and I, will continue to send you updates with regards to these types of initiatives offered by OFSAA

OFSAA will be celebrating its 75<sup>th</sup> anniversary next year. In the coming weeks, either Kim or I will be reaching out to you to create an email list of retired teacher-coaches who were involved in OFSAA. From this we will engage certain individuals to make a short video highlighting their OFSAA moments which will then be part of a Province-Wide Video Montage.

*Appendix "F" – page two*

There were a few changes to OFSAA By-laws and also to various playing regulations at our recent AGM and we've highlighted them below. As well, the full Order Paper, with the outcome of the motions, can be viewed on the NOSSA Website. Regarding this, both Kim and I cannot emphasize this enough that its imperative that Program Leaders, athletic heads of departments and other teacher/coaches read and review the OFSAA Order Paper and provide us with feedback to assist us in voting.

**OFSAA AGM highlights:**

Shamus Bourdon is the new OFSAA Executive Director. He was selected late last spring as the new director after being the Assistant Director for 6 years. Erik Espinola and Nicole Clarke are the Assistant Directors. They are amazingly helpful.

- This year, the OFSAA Executive Council set out its new 5-year Strategic Plan. The 3 priorities are: **Mass Participation** (We are experiencing mass participation of students and teachercoaches). **Inclusivity** (we have made great strides with respect to inclusivity) and **Strong Support** (we have strong support from our key consituents). The goal in attaining these things in 2027 is to have an increase in **Adequate Funds** and to provide a **Potent Technical Platform**.
- If your team (or school's team) has qualified for an OFSAA championship, please adhere to the entry deadlines. If you feel you cannot, please contact either Kim or me.
  - Colin Hood School Sport Awards - info available – please use the contact page on the OFSAA Website– deadline for order is June 3.
- Reminder that the OFSAA Hub is the one-stop-shop for Eligibility lists.
  - For all OFSAA, please visit the website at [www.ofsaa.on.ca](http://www.ofsaa.on.ca) for information regarding Try Day, Bridging the Gap, KidSport Financial Assistance, Coaching in Ontario Schools (CIOS), Scholarships and the Officials Clinic Subsidy Program and the Student-Athlete Subsidy Program.
- The Student-Athlete Sports Subsidy is a program offering fall, winter and spring grants for students who have difficulty finding the monies to pay their athletic fee for league competition. More information is available on the OFSAA Website.
  - The Three-Year Calendar for OFSAA championships is not complete for the 2023-24 school year. If you'd like to host a championship for any of the next 3 school years, please contact Kim or myself. You will be required to fill out The Championship Bid Process Form that is available on the Website. There are lots of openings! Please look at the calendar on the Website.

Respectfully submitted, Kim Chezzi and Tim Lowe
