**NOSSA CROSS-COUNTRY RUNNING 2017**  
**CONVENOR'S REPORT**

**CONVENOR:** David Gallant  
**SCHOOL:** Espanola High School  
**DISTRICT:** NSSSA

**DATE OF EVENT:** Wednesday, October 26, 2016  
**LOCATION:** Espanola Golf and Country Club

**Race Statistics:**

<b>AGE GROUP</b>	<b># OF ENTRANTS</b>	<b># OF FINISHERS</b>	<b># OF TEAMS IN RACE</b>
Midget Girls	73	66	8
Para Athletes	3	3	0
Midget Boys	51	48	5
Junior Girls	65	58	6
Junior Boys	58	53	6
Senior Girls	85	77	10
Senior Boys	93	87	10
<b>TOTAL</b>	<b>428</b>	<b>389</b>	<b>45</b>

NOSSA Cross-Country was a successful event in the fact that it ran on schedule to the minute and included, formally in the entrance procedure for the first time and on the schedule - Para Athletes. As well, NOSSA used an electronic entry system and an electronic finish line with the electronic chips located in the bib numbers. The end result of all this being that: 1) Entries were done on the user-friendly site – trackdatabase.com and no problems were reported, and 2) Race results were available immediately after the race (within 1 minute of the final runner crossing the line) and the individual and team results were ERROR FREE! Coaches DID NOT have to collect and submit finishing position numbers for their teams collected by athletes as a verification procedure. We used the same finish line company that we used for OFSAA in 2013 (they provide their own redundant backup timing matt and we put in video cameras at the finish line to record finishing bib numbers looking straight at the finishers and one parallel to the finish line to record finishing order) and if it's good enough for OFSAA, it better be good enough for NOSSA.

Financial information on the cost of using the electronic systems can be found on the financial report but it must be noted that although expensive, the costs WERE NOT prohibitive! With the amount of money brought in through registration, there was enough funds remaining after the costs of the finish line and the registration to fund the rest of the meet.

All of the feedback on the Registration and the timing was positive. Several coaches expressed that they were very pleased that they knew where their registration money was being spent!

A good NOSSA XC Information package has been established that could be used as a template for the NOSSA XC packages in the future. It is attached (without the course maps).

As well there have been a number of changes at the OFSAA level to the wording of athlete ages, race distance allowances and wording around the inclusion of Para Athletes. I've included a number of motions to bring NOSSA back in line with what was currently worded. The other motions: schedule change and recommendation to use electronic timing are included in the attached document with a rationale.

Sincerely,  
David Gallant  
Espanola High School

**Postscript:**

In April of 2017 OFSAA changed the race distances for both genders to bring a measure of equality, thereby closing the gender gap. At OFSAA XC 2017, Midgets (Girls and Boys) will race 4 km, Juniors (Boys and Girls) will race 5 km and Seniors (Boys and Girls) will race 6 km.

I recommend NOSSA accept these new race distances and implement them for 2017.

## **PROPOSED CHANGES TO NOSSA XC PLAYING REGS**

### **1. Cross-Country Running**

**Reference: Ages – Coed Playing Regulations page 6**

Whereas: The NOSSA age categories currently state:

**AGES:** Midget : under 15 on December 31st of the competing year.

Junior : under 16 on December 31st of the competing year.

Senior : under 20 on December 31st of the competing year.

And Whereas: The age categories used to reflect the categories as stated by OFSAA

And Whereas: OFSAA has updated its current age classifications

Be it resolved that the age categories from OFSAA Cross-Country Running be adopted by NOSSA to read as follows:

#### **AGES:**

(a) Competition shall be conducted in three age classifications:

**(i) Senior:** the individual's birth certificate indicates that he/she has not reached his/her 19th birthday by January 1st prior to the start of the school year in which the competition is held;

**(ii) Junior:** the individual's birth certificate indicates that he/she has not reached his/her 15th birthday by January 1st prior to the start of the school year in which the competition is held;

**(iii) Midget:** the individual's birth certificate indicates that he/she has not reached his/her 14th birthday by January 1st prior to the start of the school year in which the competition is held. Students may compete in this category for one year only in Grade 9.

### **2. CROSS-COUNTRY RUNNING**

**Reference: Schedule – Coed Playing Regulations page 7**

Whereas,

The current regulations state:

The schedule of events will run as follows:

11:30am	Midget	Girls
12:00pm	Midget	Boys
12:30pm	Junior	Girls
1:00pm	Junior	Boys
1:45pm	Senior	Girls
2:15pm	Senior	Boys

And whereas,

At this year's NOSSA Senior Girls race 23% of the field finished after 28 minutes of time had elapsed including several after more than 30 minutes.

And whereas,

This leaves little time for coaches to have an opportunity to support all their finishing athletes and get to the start line to support their Senior Boys.

And Whereas,

The Para Race has become a fixture on the schedule but are not included in the Constitution.

Be it resolved that the following schedule be adopted:

**SCHEDULE:**

11:30am	Midget	Girls
11:32 am	Para	
12:00pm	Midget	Boys
12:30pm	Junior	Girls
1:00pm	Junior	Boys
1:45pm	Senior	Girls
2:30 pm	Senior	Boys

Rationale: The 11:32 start time for the Para race allows the Para athletes to have their own start line for their race as with all other age categories yet allows them to have company on the course even with the small Para fields at NOSSA.

**3. CROSS-COUNTRY RUNNING**

**Reference: Courses – Coed Playing Regulations page 7**

Whereas,

The current playing regulations state:

The host District must conform as closely as possible to the suggested O.F.S.A.A. Distances.

	BOYS	GIRLS
MIDGET	5,000m	3,000m
JUNIOR	6,000m	4,000m
SENIOR	7,000m	5,000m (max.)

A 400 m tolerance is permitted in each race except where a maximum is indicated.

And whereas,

OFSAA has updated their regulations for course distance.

Be it resolved that;

The course distances be updated to the current OFSAA regulations and be re-worded as follows:

Approximate distance to be covered by each runner in each classification is as follows:

Midget Girls' 3000m  
Junior Girls' 4000m  
Senior Girls' 5000m  
Para Event 3000m

Midget Boys' 5000m  
Junior Boys' 6000m  
Senior Boys' 7000m

#### **4. CROSS-COUNTRY RUNNING**

**Reference: Rules of Competition – Coed Playing Regulations page 7**

Whereas,

The current playing regulations state:

##### **RULES OF COMPETITION:**

1. The starter should VISUALLY inspect the field before the start of the race to ensure that all competitors are in respect of the uniform requirements.
2. All races must be started by a starting pistol.
3. A "Funnel" system must be used at the finish of the race.
4. Finishing cards must be issued to every competitor who completes the course.
5. At least one finishing judge must be at the head of the finishing funnel.
6. The course must be clearly marked by stakes, flags, paint, etc. and/or marshalls. Marshalls should wear distinctive marking of some type. No runner may run in more than one race.
7. That no more than two runners from any one team may run side by side.
8. Runners may not use any Personal Electronic Devices (PED's) during competition.

Be it resolved that the regulations be re-worded as follows:

##### **RULES OF COMPETITION:**

1. The starter should VISUALLY inspect the field before the start of the race to ensure that all competitors are in respect of the uniform requirements.

2. All races must be started by a starting pistol.
3. All races **SHOULD** use an electronic timing system in which each individual runner's performance is measured electronically. If an electronic system is used:  
I – there must be a backup system in place to record times and places  
II – a visual recording of the finishing order utilizing cameras is recommended as an emergency backup to the electronic timing systems.
4. **If an electronic system is not being used (see #4 – #5):** A "Funnel" system must be used at the finish of the race.
5. Finishing cards must be issued to every competitor who completes the course.
6. At least one finishing judge must be at the head of the finishing funnel.
7. The course must be clearly marked by stakes, flags, paint, etc. and/or marshalls. Marshalls should wear distinctive marking of some type.
8. No runner may run in more than one race.
9. That no more than two runners from any one team may run side by side.
10. Runners may not use any Personal Electronic Devices (PED's) during competition.

Rationale: The cost for Electronic timing systems have dropped in recent years and the use of these systems should eliminate most of the issues that have arisen from races where they haven't been used (finishing order mistakes, team point totals disputes, etc.)

## **5. CROSS-COUNTRY RUNNING**

### **New Regulation:**

Whereas,

There have been no regulations in regards to the Para Race for the NOSSA XC Championships.

And whereas,

The Para race is now a fixture on the schedule,

And whereas,

The OFSAA XC Playing Regulations for the Para race have been updated,

Be it resolved that;

The NOSSA Playing regulations for the Para race reflect the current OFSAA regulations where appropriate. The modified rules be added as follows:

### **Co-Ed Combined Para Cross Country Race**

#### **QUALIFICATION STANDARDS – Playing Regulations**

## B– NOSSA Basketball – Girls

### Convener's Report

2016

The tournament went extremely well! A special thanks to Charlie Ketter, who volunteered to work at the officials table and had hoped to find others. He was unable to find others, but we did have volunteers to help him.

Congratulations to Jasmin Mathon from Odysée in North Bay for winning second place.

Congratulations to Allan Mihaichuk and the Champlain girls for bringing home the banner.

#### Concerns:

1. All the teams and coaches would have preferred playing on the Friday rather than the Saturday, but the availability of officials was a problem. Because of this many of the teams could not bring their strongest players to the tournament.
2. Minor officials are very difficult to find, even though I offered to pay them. For all Volleyball championships qualified officials work the table as well as officiate the game. Could we not implement the same practice for Basketball? This would avoid poor minor officiating, and simplify the task for the hosting schools.

2/ Names of Winning Coaches: Monika Jost, Ben Kovala, Alain Boucher, Karen Passi, Mark Passi, Shawn Piette, Karin Augenstein, Jason Wilcox

3/ The championship in Elliot Lake at Mt. Dufour was a huge success due to the awesome team of volunteers from all the alpine districts of NOSSA.

The only challenge we faced was getting the large number of athletes down the hill in time to complete their runs. We did not have enough time to complete 2 slalom and 1 GS runs (past current practice). We only had time for one of each.

4/ Recommendations for next year: when Elliot Lake hosts, we would recommend:

- That we start the championship 30 minutes earlier - new time to would be 9:30 – we made it 10:00am this year, to try and accommodate our out of town teams, but this put a time constraint on the day.
- That teams from out of town plan to leave 30 minutes earlier than they did this year – it takes a little longer to get to Mt.Dufour than expected if leaving from downtown Sudbury. Plan at least 2 ½ hours door to door with a bus; three hours if stopping in Espanola.

5/ Financial Statement – attached

6/ No recommendations to change playing regulations.

7/ No motions to NOSSA / OFSAA

Respectfully submitted,

Tom O'Grady

Elliot Lake Secondary School.

## Report Nossa A volleyball girls (junior and senior)

This event was hosted by École secondaire Franco-Cité in Sturgeon Falls. The official dates were changed to Wednesday the 22<sup>nd</sup> and Thursday the 23<sup>rd</sup> of February 2017.

1. Nossa A results: senior girls Gold Medal Winners ; École Franco-Cité  
Silver Medal Winners: Confederation (Sudbury)
2. Nossa A results: junior girls Gold Medal Winners; École Franco-Cité  
Silver Medal Winners; Algonquin (North Bay)
3. Winning coaches ; Senior Franco-Cité ; Tanya Lavigne
4. Winning coaches ; Junior Franco-Cité; Sylvie Imbeau
5. Issues: the ONLY was the money issue. I thought 250\$ entrey fee was reasonable. So 8 teams at 250\$ = 2000\$ but then received the invoice for the officials which was 1405.00\$. Then I realized it was going to cost our school...oops. Also since it was my first Nossa hosting I didn't think to charge at the door...but all good, learning curve.
6. Budget
 

Timekeepers: Josh Mousseau, Mathieu Michaud, Yanik Bonin= 3x 50.00\$	<b>= 150.00\$</b>
Purchased two new game balls (Litzen Sports)	<b>= 193.05\$</b>
Volleyball Officials plus travelling	<b>= 1405.00\$</b>
Custodian ( 2 schools) clean up	<b>= 200.00\$</b>
<b>Total</b>	<b>= 1948.05\$</b>

Couldn't buy any pizza for all the students that helped...linesmen etc.

Fees 250\$ each team (FC excluded) so 2000.00\$ - 1948.05 Profit **51.95\$**

## NOSSA CONVENER'S REPORT

## NOSSA CURLING

## March 2 – 3, 2017

### **Idylwylde Golf and Country Club, Sudbury, ON**

**COMMENTS:**

**Overall NOSSA curling was a great event this year! With the support of Dave Makela and LoEllen Park SS teacher rep Ryan Lafraniere and student Kelly Thompson, organizing went very smoothly. Thanks go to the great support of the Idylwylde Golf and Country Clubs' management, ice technicians and members.**

## RESULTS

1. Lockerby Composite Girls Coach: Bill McKetsy  
Teacher Rep: Karin Augenstein
2. St. Mary's College Boys Coach Dan Lemieux  
Teacher Rep:

## PROBLEMS

- The draw seems to be the on-going challenge with NOSSA curling. The Modified Double Elimination and the rules specified for number of games played in one day has been a problem for many years. A motion has been brought forth to have this event extend to three days as previous conveners, coaches and teacher reps cannot recommend a better draw to accommodate the number of entries and the approved playing regulations.
- Teams paid for but did not attend the banquet. This was disappointing to the school and organizers.
- There were media reports of a trophy, the Imperial Esso Dealer's Trophy, being won by the boys' team, but as convener I was not aware that a trophy even existed. If there is one, it should be available for presentation at the awards ceremony.

n+march+3&DaysFrom=0&DaysTo=&Order=relevance](https://www.sudbury.com/search?q=Randy+Pascal+nossa+curling+team+brunto+n+march+3&DaysFrom=0&DaysTo=&Order=relevance)

## **RECOMMENDATIONS**

- 1. NOSSA should strive to have playing regulations be in line with OFSAA playing regulations in all aspects.**
  - This will make it easier for the competitors to move from one competition to the next with no variation in the playing regulations.
  - There was discussion amongst some Coaches that schools are pooling their players as many curlers go on School trips to Europe during the time NOSSA curling event is held- this is not in accordance with OFSSA rules.
- 2. Use of the information format that was created by Ryan Lafraniere for this year's NOSSA curling event be used forthcoming.** It is precise and easy to find the needed information.
- 3. All Associations have their league play concluded and winners determined a minimum of 1 week prior to the start date of NOSSA.**
  - This will allow for "Snow Days" and other unforeseen circumstances.
  - Allows the Convener of the event to have the draw done and other information sent out to participants in a timely manner.
- 4. All eligible teams must at the time of registration, bring or have sent in their AELS forms and registration fees.**
- 5. Rented curling clubs are requested to have a designated area, away from the youth curlers, for parent/spectator alcohol consumption.** This worked wonderfully this year. It prevented the spectators from making unruly comments to coaches and curlers.
- 6. Code of Conduct for Coaches and Athletes should be provided to teams and posted in clubs during the NOSSA Curling competition.**
- 7. Code of Behaviour for Spectators should be provided to teams and posted in clubs during the NOSSA Curling competition. (see attached...can be amended)**

- 8. Use scoresheets.** This was very helpful this year in recording scores on line. It also provides both teams and convener with proof of eligible players and final scores. (This year we used SDSSA score sheets)
- 9. Support those who prepare and organize the Banquet.** This year several teams paid but did not show up to support the Life Skills Students who put on the banquet at LoEllen Park Secondary. Food was prepared for all those who indicated that they would attend-therefore there was a lot of waste.
- 10. In lieu of extending NOSSA curling to a 3 day event, the NOSSA Executive should look at changing the Modified Double Elimination draw to a Round Robin Pool Play (RRPP) draw.—see outline below**
- Reason: Playing regulation # 15 states “Teams must not be required to play more than three games in on calendar day of competition.” This year the Lockerby Composite Girls’ team played 4 games due to only having 1 loss. This situation will not occur with a RRPP.
  - No extra time would have to be given to the teams in question for a break between games. i.e. The way the draw is set up now, the team with one loss has to play 4 consecutive games in a row adding up to 8 or more hours on the ice with minimal time for breaks and ice maintenance. It also puts the waiting team at a disadvantage for having to wait until their opponent has been determined. (a 2 day event MDE draw creates this problem)
  - This would allow for the Consolation round to be played if the club being rented has 6 sheets available.
  - This would allow the Curling Club to allow their league play to continue in the evening. NOSSA curling does not generate a lot of money for the club which is being rented due to low /zero alcohol sales and participants who choose not to support the club by purchasing their meals there.

## MOTIONS TO NOSSA

1. Amend the typo under RULES, to read “ The.....”

Moved by: Karen Luczak      Second: Anne Bouffard

CARRIED

2. ENTRY: a) A team may consist of five (5) players any four (4) of whom may be designated to play in a game. All five (5) curlers must be listed on the entry form. Every team must have four (4) players available to start the competition.  
b) All games must start with 4 eligible players.

Moved by: Karen Luczak      Second: Karin Augenstein

CARRIED

- Reason; There is no rule which states this.
  - This is in accordance with OFSSA playing regulations A school can show up to the competition with only 3 players as a means to be stronger competitively, rather than developing a fourth or subsequent player in the full spirit of the laws of curling.
3. Remove the following rules 6 and 7 “ 6. A minimum of 30 minutes prior to game time, , the opposing vices will meet behind the glass of their designated sheets to toss a coin for first or last practice. Practice time of seven (7) minutes per team, shall be made available before each game, if time permits.  
7. Immediately after their practice, a player from the team will have one minute to deliver a stone (full sweeping allowed) and the closest draw to the button between the two teams will receive last stone advantage in the first end. The team practicing first will chose either the clockwise or counter clockwise turn. The team practicing second will deliver the opposite turn. The stones will be measured by the official. The team without last rock will choose rock colour.”

Moved by: Denis Rochon      Second by: Anne Bouffard

CARRIED

- Reason: These rules are too time-consuming.
- Substitute the above with Motion # 4.

4. PRACTICE:

A minimum of 30 minutes prior to game time, the opposing vices will meet behind the glass of their designated sheets to toss for choice of last rock or rock colour. The team with last rock will have first practice.

Moved by: Denis Rochon      Second: Brenda Thompson  
CARRIED

- Reason: This is in accordance with OFSAA rules.
- It is simple and easy to understand.

5. To allow the draw master to move teams around from the set draw so teams have the opportunity to play other schools.

Moved by: Anne Bouffard      Second: Karen Luczak

CARRIED

- REASON: Every year the same schools are playing the same competition.

6. SPARE POOL SELECTION (Add to Playing Regulations)

**3. Problems encountered**

- a. Ninety-minute time slots were not ideal, with a flood and lengthy games due to injuries and penalties we found ourselves running out of time. All games were completed in their entirety however, we came close to overruns.

**4. Recommendations for next year**

- a. Where applicable, book two hours of ice for round robin games to ensure enough time. Due to financial constraints (no gate fee) we were only able to book 90 minute slots to keep the entry at 900 dollars, the equivalent of the AAA championship in Sudbury.
- b. If possible try and charge a gate fee to offset costs. We must use the arena box office therefore; a gate fee is not feasible when the tournament is held at Memorial Gardens.

**5. Financial Statement**

- a. See attached document.

**6. Playing regulations updates & Notices of motion**

- a. No playing regulation updates
- b. No notices of motion to constitution

LOCKERBY (0) Coaches: Bruce McDougall & Mario Parisotto

### CONVENER NOTES:

- Even though it was a snow day on the second day of competition the tournament played through as scheduled
- Congratulations to Notre-Dame for a 6-0 win in the Finals to win the NOSSA banner
- We played the games with 2 refs for each game including the finals with no problems
- Recommendations for next year

-add into the Nossa playing regulation about having a flood every two periods

-confusion with the wording of rules that was unclear for tied games

-since points are awarded for overtime win (2) and overtime loss (1) then there should not be ties that stay in round robin play EX: (c)(i) section 2<sup>nd</sup> line under **tournament structure and procedure**

-under **rules and officials** it states this better for having overtime if tied at the end of regulation time Ex: section (h)

-it almost seems one contradicts the other and two different rules are stated in different sections

-it would be recommended to clean up on the official wording and organization of following the rules

# Playing regulations updates – recommendations from the post-event coaches meeting

## 1. Breaks between matches

- a. Current playing regulations states that 5 minutes between matches. It is recommendation that 90 seconds be allowed between matches.
  - i. Rational: 5 minutes is too long.
- b. It is current practice that players switch sides at 11 points in the event of a 3<sup>rd</sup> game. Coaching may also occur at this time (only in 3<sup>rd</sup> game). It is recommended that this be indicated in the playing regulations as it has been in practice.
  - i. Rational: to keep playing regulation clear, concise and up to date.
- c. Water breaks at 11 points in all games. It is recommended that this indicated in the regulations
  - i. Rational: too many water breaks may alter the flow of the game.
- d. It is recommended that NOSSA badminton playing regulations uniform item be amended to include the following; shorts must be above the knee and no spandex permitted.
  - i. Rational: this amended is designed to eliminate basketball style short and spandex apparel that are not permitted at OFSAA level. This will bring NOSSA in line with OFSAA playing regulations.
- e. Current points scoring is as follows;

1<sup>st</sup>- 5 points, 2<sup>nd</sup>- 4 points, 3<sup>rd</sup> – 3 points, 4<sup>th</sup> - 2 points, 5<sup>th</sup> 1 - point

It is recommended that the points scoring be revised as follows;

1<sup>st</sup> – 5 points, 2<sup>nd</sup> – 3 points, 3<sup>rd</sup> – 1 point

- i. Rational: As schools in all regions get smaller, this will level the playing field in terms of overall points. It will also give more value to those earning medals.

# NOSSA Badminton Regulation Changes Requests 2017

---

## 1. Under Series letter a)

### ***Currently States:***

Two entries will be allowed from each area. If one area does not enter two teams, the host area may supply an additional entry. A competitor may enter one event only. This vacant spot in the draw shall be filled by the individual or team who has placed next in the host district's standings.

### ***Change To:***

Two entries will be allowed from each district for each event. A competitor may enter one event only. If one district does not submit two entries, the host district may supply an additional entry to fill the vacant spot in the draw using the individual or team who has placed next in the host district's standings.

### ***Rational:***

Change in the word area to district for better clarification.

## 2. Under Rulebook:

### ***Currently States:***

Canadian Badminton Association. A convener's book was prepared in 1976 and will be passed on to the next convener.

NOSSA badminton will return to the current OFSAA playing regulations in all matters pertaining to format of competition, protective equipment and brand of shuttlecock to use.

### ***Change To:***

Badminton Canada – Laws of Badminton 2012 (<http://www.badminton.ca/page/27820/Rules-of-the-Game>)

NOSSA badminton will return to the current OFSAA playing regulations in all matters pertaining to format of competition, (other than we have a true double elimination tournament), protective equipment and brand of shuttlecock to use.

### ***Rational:***

A few things have changed since 1976 we have a different format of competition – true double elimination – we don't guarantee 4 games but rather two.

## 3. Under Officials

### ***Currently states:***

Staff members, coaches and players (no payment).

***Change To:***

Staff members, coaches and players will be used for line calls, score keepers, timers and draw desk (no payment).

- *Also move this section of “Officials” to be after “Format” and before “Judges”*

***Rational:***

It clarifies the difference between officials and judges and what they can be used for and that is why they should also be next to each other in the regulations.

**4. Under Format Letter a)*****Currently states:***

A true double elimination tournament as used at OFSAA. This guarantees everyone 2 matches. The finalist from the losers round must defeat the winner round finalist in 2 matches in order to win.

***Change to:***

A true double elimination tournament. This guarantees everyone 2 matches. The finalist from the losers round must defeat the winner round finalist in 2 matches in order to win.

***Rational:***

Removing the “as used at OFSAA” because OFSAA does not run a true double elimination tournament.

**5. Under Format Letter b) iii)*****Currently states:***

Players shall be allowed a rest period of no more than 90 seconds between consecutive games.

***Change to:***

Players shall be allowed a rest period of no more than 120 seconds between consecutive games.

***Rational:***

At the OFSSA level they have 120 seconds.

**6. Under Format Letter c)*****Currently states:***

With 10 to 12 courts available, the following timings and order of events may be used:

- i) Tournament begins with all singles matches to finals – planning time 4 hours.

- ii) Doubles to the finals - 4 and a half hours.
- iii) Mixed doubles starting 1 hour after doubles - 3 and one half hours.

***Change to:***

It is recommended to have a minimum of 10 to 12 courts available for NOSSA badminton tournament.

***Rational:***

We have not run NOSSA in this order for years. This is wording from when players could play in multiple draws. However, a guideline of the number of courts required to host the event should remain.

**7. Under Format Letter f)**

***Currently states:***

Games one to eight in each draw are to be played on the Friday evening.

***Change to:***

Games one to eight in each draw are to be played on the first day of the event.

***Rational:***

If for some reason we do not play NOSSA on a Friday/Saturday the wording of the regulations should be flexible to accommodate this.

**8. Under Format Letter h)**

***Currently states:***

Players switch sides at 11 points in the event of a 3rd game. Coaching may also occur at this time (only in 3rd game).

***Change to:***

Players switch sides at 11 points in the event of a 3rd game. Coaching may also occur at this time (only in 3rd game) for 60seconds. NOTE: This is different from Laws of Badminton but it is something NOSSA coaches have requested based on being able to give their players feedback to help them learn.

***Rational:***

The time was not specified and this has been the agreed upon length of time amongst the coaches.

**9. Under Trophies**

***Currently States:***

The following team trophies shall be presented at the conclusion of the NOSSA competition:

- (a) The Steve Chen Trophy - Combined Team Champion

- (b) The Bumbacco Trophy - Senior Team Champion
- (c) The Larry Bobbie Trophy - Midget Team Champion  
- Junior Team Champion
- (e) The Lucio Fabris Trophy - Overall District Winner

**Change To:** Subheading Change from Trophies to “Awards”

The following awards shall be presented at the conclusion of the NOSSA competition:

- (a) The Larry Bobbie Trophy - Midget Team Champion
  - i. The school team with the highest number of points in all Midget draws.
- (b) The Jim Muchmore Trophy - Junior Team Champion
  - i. The school team with the highest number of points in all junior draws.
- (c) The Bumbacco Trophy - Senior Team Champion
  - i. The school team with the highest number of points in all Senior draws.
- (d) The Steve Chen Trophy And the Aggregate Banner
  - i. The school team with the highest number of points combined across all 3 divisions (Midget/Junior/Senior).
- (e) The Lucio Fabris Trophy - Overall District Winner
  - i. The district with the highest number of points combined across all 3 division (Midget/Junior/Senior).

**Rational:**

It clarifies that the combined team champions win the trophy and the aggregate banner and it was missing the name for the junior trophy.

## **10. Under Uniforms**

**Currently:** There are no letters to outline each point

**Change:** Please add letters for each item a) b)

**Rationale:** Easier to refer to the changes in the future

## **11. Under Uniforms**

### ***Currently:***

All players must be dressed in gym shorts of mainly solid colour and a predominantly white T-shirt (or white collared shirt) - No fluorescent colours. Shorts must be above the knee and no spandex permitted.

School, Association or OFSAA logos are permitted insignia in the competitive area. The brand name of the uniform manufacturer is permitted to be visible. Badminton-related shirts are acceptable.

School team badminton uniforms are accepted. The shirts do not have to be white if the singles player or matching double/mixed partners are wearing matching team uniforms. Doubles and mixed players from the same team must wear matching, solid coloured shorts.

Headgear is not acceptable in the competitive area with the exception of sweat bands.

When two or more players are warming up or competing on court, approved eye-wear is mandatory for all levels of NOSSA badminton.

### ***Change to:***

- a) "The NOSSA Badminton dress code will follow the OFSAA Badminton dress code as outlined in section 7(a) and (b) of the OFSAA Badminton Playing Regulations."

### ***Rationale:***

To align our dress code with OFSSA so that our players are prepared for the expectations at the next level of play.

## **12. Under Uniforms**

### ***Currently states:***

When two or more players are warming up or competing on court, approved eye-wear is mandatory for all levels of NOSSA badminton.

### ***Change To:***

- b) When anyone is on a court, warming up (including coaches), or competing, approved eye-wear is mandatory for all levels of NOSSA badminton.

NOTE: A coach does not need to wear goggles to go onto the court to coach during the match.

### ***Rational:***

Insurance will not cover any injury to any person.

### **13. Under Draws**

#### ***Currently states:***

There is a mock draw drawn in.

#### ***Change To:***

The host district may use the approved spreadsheet file that has been created for this event to create all of the draws and calculate all of the points. Please see previous convener for a copy of the file.

#### ***Rational:***

Many hours have been spent on creating this spread sheet and it has proven to be very effective.

## RECOMMENDATIONS/CONCERNS

1. The discus and javelin competition away from Cundari field at Chippewa SS was not ideal but unavoidable due to space limitations at SJSH. Plans are being made to improve the javelin runway and sector. It is also hoped to have a shot put sector at Chippewa, therefore having all three throws at one site.
2. The new facility at SJSH seemed to work well for a meet the size of NOSSA. Any feedback would be appreciated.
3. The final date for changes to entries to NOSSA is Tuesday at 6:00 PM. This is a tight timeline for the entry convener to get the heat sheets and work sheets out in time to the convener.
