NOSSA "B" Boy's Basketball

Friday Feb. 25/11 @ Ecole Secondaire Notre Dame-des-Grands-Lacs  
250 St. George's, Ave.  
Sault Ste. Marie, ON

Teams Attending: Notre Dame-des-Grands-Lacs (Host : SSSAA)  
Jeunesse Nord (NSSSA)  
Villa Francaise des Jeunes (NSSSA)

A week before the Championship the Sudbury Representative dropped out and the NDA representative did not show up for the tournament. This made scheduling rather hard and ended up costing us to pay for officials for games lost. Once notified by the Sudbury Rep. (Hanmer secondary) I opened a spot for a second North Shore team and it was filled. Hanmer has paid us for the entry fee (Thank You) even though they did not make it to the event. We have not heard from the NDA Rep. as of yet.

Jeunesse Nord won the event over Villa Francaise des Jeunes 41-26

I suggest in the future to let the convener know well ahead of the event of your intent to participate as it will save money and major headaches.

Because of the teams giving such short or no notice of attending we lost money but we were pleased to host and Thank the teams for their attendance and great play and sportsmanship.

## NOSSA GOLF 2010

### Recommendations:

That the start time of NOSSA golf not be any earlier than 9:30 am.

### Rationale:

This would reduce the cost for traveling as schools could leave the morning of the championship, as well as to allow for frost to clear.

Moved: Richard Lachance

Second: Mark Hewitt

Action: Carried

### Recommendation from Convener

We ran a \$ 98 deficit this year because we were billed based on the number of entries received. However, on the day of the championship, several players were scratches/ no shows. In the future, schools should be charged for all received entries regardless of participation.

## **NOSSA REPORT BOYS A/AA HOCKEY**

Convenor: NDA Chippewa S.S. Bob Boal

Dates: March 8th and 9th 2011

Location: Memorial Gardens North Bay

Participants:

West Ferris S.S. NDA

E.S.C. Algonquin NDA

St. Benedict C.S.S. S.D.S.S.A.A

Central Algoma S.S. (Sault Ste. Marie)

Winning Team: Central Algoma S.S.

Winning Coach: Charlie Cooke

### **PROBLEMS ENCOUNTERED THIS YEAR**

The event is too costly. Referees fees and support staff fees are very high, but I am not sure what can be done about it. We need the refs and the Garden staff is union and required.

Attendance issues: 2 OFSAA's were being held at the same time both involving the host schools

Sorry about the date mix up

### **RECOMMENDATIONS FOR NEXT YEAR:**

Ticket prices: Adults 5\$, Students and Seniors 3\$ kids under 12 free

No day or tournament passes but I would consider a tournament pass for the full amount of 4 games. It would make us money (they pay for the finals whether their team makes it or not)

Longer warm up

(we don't use all 2 hours that we are paying for)

### **THINGS THAT I LIKED:**

Nice to have 2 qualifiers to OFSAA

Refereeing: Not an issue that I know of. No team made a formal or even informal complaint about the referees.

Each team had its own room for the tournament (out of town teams were able to stay in their room the whole two days – didn't have to load and unload the bus over and over) this was really nice

All involved (players Coaches, spectators) displayed great sportsmanship and were a pleasure to work with.

Notice of Motion:

**ADD TO: BOYS HOCKEY PLAYING REGS  
IN GENERAL HEADING or CATEGORY**

**ADD to list of general rules/ guidelines**

**MOTION:**

To have the clock run if the score gets out of hand (8 or more goal differential)

**RATIONALE:**

a mercy rule could be considered for Round Robin Games. Mercy Rules are quite common in most tournaments, and NOSSA also has a max number of goal differential (5 goals) in the equation for tie breaking. This rule implies NOSSA is not interested in rewarding teams for running up the score. A rule to also run the clock will further enforce this as well as promote a cleaner end to game that potentially could get out of control and become a safety issue.

Motioned by: Bob Boal Chippewa ASSOC: NDA

Seconded by: Rick Mitchell West Ferris ASSOC: NDA

ADD TO: BOYS HOCKEY REGS

IN GENERAL HEADING or CATEGORY

ADD to list of General rules/guidelines

**MOTION:** Any contact with a goalie as he freezes the puck results in a face off outside the zone.

**RATIONALE:**

This is an NDA rule that works well that could be adopted by NOSSA.

Any contact with the goalie as he freezes the puck results in a faceoff outside the zone. This makes the attacking team think twice before being too aggressive digging at the goalie. The goalie knows that he will be protected and just focus on controlling the puck and getting a whistle. The referee still has the option to assess a penalty if the offensive team is over zealous on digging at the goalie but just the concept of contact with the goalie will result in the faceoff being outside the zone.

- Lasalle refused to participate fully in awards ceremony – issue is being dealt with by the school
- Lockerby player slew footed an official resulting in a match penalty and charges laid – a special committee of Principals has been struck in Sudbury area to consider changes to improve player and fan behaviour – Sudbury sport committee has passed initiatives to enhance suspensions for specific offences

\*\* There were no trophies handed out. Medals were awarded to 1<sup>st</sup> and 2<sup>nd</sup> place finishers and ribbons were distributed to 3<sup>rd</sup> place finishers. There were fun prizes awarded for the winners of the relays as well. Aggregate banners were also handed out to deserving teams.

**2.      Problems encountered:**

- 1) 6 first place medals were missing from the lot of medals. However, they were delivered at the OFSAA race and distributed to deserving athletes at that time.
- 2) Similarly for the NDA race, organization with the North Bay Nordic Ski Club became difficult when trying to set-up race layout in the trails (specifically the backwards brown), equipment, facility and bib use as well as fees. In the future, when dealing with the North Bay Nordic Ski Club, I strongly suggest a contract be written and signed by both parties at the time of reservation to ensure all the details are well established and agreed upon at the beginning of the planning process.

**3.      Recommendations for next year:**

- 1) At the request of athletes and coaches banners should be distributed to winning teams. The athletes anticipate banners to be awarded to the championship team as in other NOSSA event such as Cross Country, and Track and Field.
- 2) In concordance with OFSAA categorise and prizes (and eligibility qualifications for OFSAA) the aggregate banners should be replaced with Junior Combined and Senior Combined banners thus awarding importance to the same group of athletes as OFSAA does. The aggregate banners at NOSSA seem not to have a place or importance in Nordic skiing.
- 2) The relays races (fun or competitive, standard or sprint) should continue to be part of the day's events. Informal relays are relatively easy to organise and add a new element of competition to a NOSSA event. It may also be the only opportunity, prior to the OFSAA championship, for athletes to compete and practice in the event.

## **NOSSA Convenor's Report**

Sport: Boys Soccer  
Date: May 2010  
Convenor: Ryan Culhane – West Ferris Secondary School

### **Summary:**

The 2010 NOSSA boys' soccer championships were held in North Bay at two venues; West Ferris Secondary School, and Ecole Secondaire Catholique Algonquin. Many thanks go out to the students and staff at both of these venues for accommodating the championships.

### **Section #1a: NOSSA Results:**

Please note, the following outlines the results of the championship matches for each of the three divisions 'A', 'AA', and 'AAA'.

Junior Boys' Soccer

'A' – **St. Benedict 3 @ Algonquin 1**

'AA' – **St. Charles 2 @ West Ferris 0**

'AAA' – Lockerby 0 @ **St. Joseph Scollard Hall 3**

Senior Boys' Soccer

'A' – St. Benedict 0 @ **Algonquin 1**

'AA' – **St. Mary's 3 @ West Ferris 2** (in penalty shots)

'AAA' – **Lockerby 2 @ Widdifield 1**

### **Section #1b: Trophy Winners:**

Senior 'AAA' – Laurentian University Trophy: Lockerby Vikings

Junior 'AA' – Nina Grossi Memorial Trophy: St. Charles Cardinals

### **Section #2: Winning Coaches:**

Junior 'A': St. Benedict – George Urso, Giuseppe Politi

Junior 'AA': St. Charles - John Sikora, Lloyd Ribero  
Junior 'AAA': St. Joseph Scollard Hall - Joe Butkevich

Senior 'A': Algonquin - Bob Sneddon  
Senior 'AA': St. Mary's - Gregory Guzzo, Mike Fera, Dave Szezpaniak, Mike Esson  
Senior 'AAA': Lockerby – Paul Hatzis

### **Section #3: Problems Encountered:**

This championship was virtually flawless until the final senior 'AA' championship game.

During this game, there were many comments made about the officiating by the St. Mary's coaching staff and players, resulting in two members of the coaching staff being ejected from the game. In addition, there were a few yellow and red cards issued to players of both teams during the course of the match.

While these are not acceptable behaviours, the officiating staff handled it professionally, and their reports were filed and noted. Where the problem came was dealing with how the suspensions affected the St. Mary's team and their progression to the OFSAA championships the following week. After consulting with many regional NOSSA executives and OFSAA personnel, it was concluded that there was insufficient wording in the NOSSA constitution to explicitly and effectively apply the correct suspensions for any/all further OFSAA competition games.

Finally, the local soccer league from which St. Mary's qualified from, handled the suspension of the student and coaches involved.

As a convenor, I feel that it should be the job of the NOSSA sport committee to look to the playing regulations and immediately hand out further suspensions carrying forward to OFSAA. This would be clear at the conclusion of the NOSSA championship rather than running into time constraints and availability of other people from their home leagues, given the tight timelines between the NOSSA and OFSAA soccer championships. These instructions are not outlined in our current NOSSA playing regulations.

### **Section #4: Recommendations For Next Year:**

With respect to recommendations for next year, I strongly encourage the next convenor(s) to implement the following:

- Two playing sites
- Site Convenor for each site
- Order four or more (two for each site) OFSAA soccer balls to be used during

- the competition
- Lots of water available at each site

In addition, I believe that the NOSSA soccer playing regulations must be looked at to include wording about how to deal with players and coaches receiving yellow/red cards and ejections in all games. The wording must include all possible suspensions that would carry forward to the next NOSSA game (where applicable) and certainly to the OFSAA competition that the winning team would participate in the following week.

## NOSSA GIRLS SOCCER REPORT 2010

### FINANCIAL STATEMENT:

COST	EXPLANATION
207.50\$	Game balls were bought in case teams did not have 2 official balls to use as game balls.
30\$	pizza to feed the students that helped out throughout the day.
420\$	MEDALLIONS
462.50\$	(referee 42.50\$, linesmen 25\$ per game) x 5 games
TOTAL:	
REVENUE	ENTRY FEES
140\$ X 8 = 1120\$	8 SCHOOLS PARTICIPATED
1120\$-1120\$ = 0\$	REVENUE - COST

### RESULTS:

#### Single A

Macdonald-Cartier won the single A championship 6-0 vs Algonquin. Macdonald-Cartier also went on to win the OFSAA single A title.

#### Double A

Notre-Dame defeated West Ferris 3-0 in the first semi-final game.

St-Basil defeated St-Charles 5-0 in the second semi-final game.

St-Basil won the double A championship 3-2 vs Notre-Dame.

#### Triple A

Lockerby won the triple A championship 1-0 vs St-Joseph Scollard Hall.

**Recommendations:** A few teams had more than 20 players. We should look at increasing the number of players allowed in the playing regulations to allow all team members the chance to participate. Therefore, we should furnish up to 23 medals to allow convenors to give medals to more players and coaches too.

Congratulations to Lockerby and Widdifield Seniors for reaching the NOSSAS finals.  
And congratulations to Lockerby for capturing the Senior Title.

There were no problems at the championships.

## **Recommendations**

The additional cost that incurred due to the extra official that was sent by WHAT governing body at the last minute, could have been communicated in some fashion! It seemed that this was not necessary, and it caused some issues.

Holding the championships at one venue in two (2) days worked quite well.

## **NOSSA Report**

Held in Sudbury at MacDonald Cartier, Feb 18, 2011

For the most part, this year's NOSSA went very well.

126 wrestlers participated, with 62 coming from Sudbury area high schools.

The officials and the Pairey Master were very well managed and did a great job as usual.

### **Some recommendations for the future.**

1. There was a bit of confusion with a few coaches as to who was hosting NOSSA Wrestling this year. Last year Sturgeon Falls was the host, this year it was Sudbury's turn and next year Sault Ste Marie. (Each area is on a 3-year rotation) For the last two year's, the NOSSA website has the wrong host area listed.
2. In the future either we shouldn't have a charge back for local schools, and /or, out of town schools should be required to pay their entry fee **before competition** begins. This will result in the organizers not having to loan money to the event in order to ensure officials and their expenses are covered.  
Incidentally, NOSSA is still waiting for the cheque from CASS covering entry fees for this year's NOSSA Wrestling.

The money owing to OFSAA Wrestling 2011 was to cover an immediate shortfall at the event. With having \$1240.00 worth of entry fees to the Sudbury Schools charged back, as well as having to give the schools from Central Algoma a bill (so that they could have a cheque written from their Board), made it difficult to run the event. Money has to be available for the Officials, Lodging and other tournament related expenses, on the day of the tournament.

  - Some teams did not properly register prior to the entry deadline.
4. Recommendations for next year:
  - Change the uniform rule so that it can be enforced more justly. The rule currently states that all runners on a team must compete in identical school running tops. Although not in the playing regulations it is normally indicated in the nossa cc meet package that runners not adhering to the uniform rule will be disqualified. In most other sports athletes are not allowed to compete or start if they are not wearing the proper uniform, an official alerts them to change into the proper uniform prior to the start of the competition. At ofsaa cross country there are several officials at the start ensuring that athletes are wearing the proper uniform before the start. It is not feasible at nossa for the starter to inspect the uniform of all runners before each race. Disqualifying an athlete after the completion of the race for a uniform violation is a very harsh penalty, considering the starter/official at nossa can not properly inspect all competitors. The onus should still be on the athlete and team to follow the rules, but the penalty should not be so harsh. Perhaps there should be a fine levied against a school team for violating the uniform rule.
