NOSSA Badminton 2011

Hosted at E.S. Macdoanld Cartier, Lasalle and St Charles

Chief Referee: Byron Bobbie

Convenor: Shawn Tilander

Results on NOSSA website

Problems and Concerns:

1. 2 of the 4 trophies (Age group Team Champions) are missing. They are sitting at a school, in a cupboard or display case and should be returned. They are marked NOSSA Badminton Junior Division Aggregate, and NOSSA Badminton Senior Division Aggregate. We think they may be at either LoEllen Park or Macdonald-Cartier as previous winners.
2. Although a clear direction to have a designated District Convenor rep at NOSSA, this system has become less formally followed. Although no problems occurred, this could be an area of concern.

The following results are NOSSA Badminton 2011 held April 29/30 in Sudbury

## NOSSA Cross Country Convener's Report 2011

### 1. NOSSA results (see attached report)

### 2. Names of winning coaches (see attached results report)

### 3. Problems encountered this year:

a) There was a midget runner from LoEllen who made a wrong turn during the race and therefore had to backtrack and this hurt his position in the race. A letter was received from this parent with suggestions on marshals, trail marks etc. However, the letter did state that he had a practice run the day prior to the meet so I am unsure how he made a wrong turn. There were plenty of arrows and there were marshals throughout the course and they were in the exact same positions they have been for every year NOSSA has been held in Sault Ste. Marie. The only suggestion that we could have implemented was a bike rider to lead the runners, we did try and get someone to do this however, we could not find enough volunteers for the meet. We will do our best to have this the next time we host a NOSSA.

b) There were also a few entry problems because some schools had athletes in the wrong division etc.

c) Some coaches did follow the instructions given in the coach's package regarding handing in numbers at the end of the race.

d) There was some confusion about ofsa entry \$ and one district did not have a cheque with them. This led to quite a bit of confusion.

e) The ribbons were not received in time for award presentations.

### 4. Recommendations for next year:

a) Coaches make sure athletes know the trail during the practice run. Ask the convener for clarification if unsure.

b) Make sure to have a bike rider lead the race.

c) Coaches please double check your entries. Also, please follow instructions given in coach's package to make tabulation of results that much easier and faster.

d) District leaders please make sure that there is a cheque sent with someone for OFSAA fees.

### 5. Financial Statement (see attached report)

6. a) Playing regulations updates – no changes

b) Notices of motion to NOSSA or OFSAA – no motions

### PROBLEMS ENCOUNTERED THIS YEAR:

Didn't have the maps ready for coaches ahead of time

Junior girls' race a little short compared to OFSSA's course

Trail could be better marked for warm up

### RECOMMENDATIONS FOR NEXT YEAR:

Have maps (coaches package [start lists, maps] ready before hand)

Tie off trails with colours for warm up

Lengthen junior girls' course to be more challenging

1/ Results are already posted on the NOSSA web site.

2/ Winning coach - boys team, Rick Emond, St.Charles College, top female from Espanola, coach Peter Hutchings.

3/ No problems this year, a little more detail in how to divide and give the medals out for this sport would be helpful.

4/ Recommendations for next year

1 - continue with Dave's efforts to find the golf trophies, and ensure that schools be responsible to bring them to the championship.

2 - remind schools, that they are charged by the number of golfers that they register, not the number that attend the championship.

5/ Financial report faxed.

6/ Recommendations to playing regulations:

- Be it resolved that athletes may not use gps aided distance finding devices

Respectfully submitted,

Tom O'Grady

- Conveners:** Gilbert Briscoe, Confederation SS  
Dave Makela, Rainbow DSB Training Lab (meet manager)
- Date:** May 25th and 26th, 2011
- Site:** Laurentian University.
- Results:** Distributed as required and uploaded to website. Highlight page attached.
- Records:** Updated and attached.
- Statement:** Attached. A loss of \$1081 was realized.
- Report:** Due to the costs associated with hosting track events at Laurentian, it will not be possible to run the NOSSA event at a break-even level given present entry fee levels.

Despite being posted on the NOSSA activity calendar months in advance, there still was some confusion about the date of the event. Playing regulations still make reference to a Thu-Fri championship so a motion has been forwarded to update.

Both the track and field events on day one of the championship ran one hour late. A motion to start earlier on the first day has been submitted.

SDSSAA hosted officials' clinics for all NOSSA districts earlier in the season with cost picked up by OFSAA Track and Field 2011, also hosted in Sudbury. Response to the clinics was good and member districts will hopefully reap the benefits for years to come.

Track re-surfacing at the Laurentian site was completed in time for the Spring 2011 track season and although the surface was impeccable, site upgrades to timing and equipment area were not completed and to April 2012 still have not been completed.

Overall there were very few problems in running the meet and coaches from all districts were very cooperative.

Respectfully submitted,

Dave Makela,

Hello everyone. The financial report for both NOSSAs is enclosed. We had a problem with defaulted entries: JR AA North Shore and SR AAA North Bay. Both positions were filled by local SSM entries. Lasalle, upon arrival, indicated that they would have preferred to be advised so that they could switch to AAA. I indicated that with the tardiness of the notification, we were scrambling and did not consider upseeding both AA and AAA. Thank you for your advice and guidance throughout. Perhaps, this issue may be addressed at the annual meeting for future direction.

## **NOSSA Report Boys A/AA Hockey**

**Host School:** Sault Ste. Marie High School Hockey – Central Algoma Secondary School

**Convener:** Chris Wootton

**Dates:** March 5<sup>th</sup> and 6<sup>th</sup>, 2012

**Location:** Thessalon Memorial Arena

### **Participants:**

Scollard Hall Bears (North Bay)  
St. Basil Saints (Sault Ste. Marie)  
St. Charles Cardinals (Sudbury)  
St. Mary's Knights (Sault Ste. Marie)

**Winning Team:** St. Mary's Knights

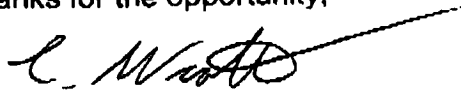

**Winning Coach:** Terry Chikoski

### **Thoughts:**

Hosting NOSSA in a small community like Thessalon created some minor problems. The local hotel could only house one out of town team so rooms needed to be secured in nearby communities (10 – 15 minutes away). More money had to be spent on travel for officials (coming from the Sault). Limited choices of restaurants might have been a problem although no teams made formal complaints.

On the positive side, an event like NOSSA hockey was a positive for the town of Thessalon. Despite not having a local entry (the CASS Huskies were at AAA in North Bay), the crowds were great throughout the event, ending with a nearly packed area (250+) for the final game. Having two hours scheduled for each game is the way to go, allowing for floods every period and a good warmup at the start of the game. The arena staff (Kris and Ashley) was spectacular, doing everything needed to make the teams comfortable during their time in Thessalon. It would be nice to be able to host again in the future.

Thanks for the opportunity,

Chris Wootton

# Girls 'A' NOSSA Volleyball 2012

## FINAL RESULTS *(see attached)*

Senior NOSSA Champions - Chippewa Secondary School

COACH: Colleen Eagan

Junior NOSSA Champions - Confederation Secondary School

COACH: Christina Renaud

ASSISTANT COACH: Destiny Gratton

## PROBLEMS:

1. Junior site had only one official for day 1 of round robin (constitution stipulates that there should be 2).
2. One team did not have their team registered on AELS - several teams did not bring their AELS eligibility lists.

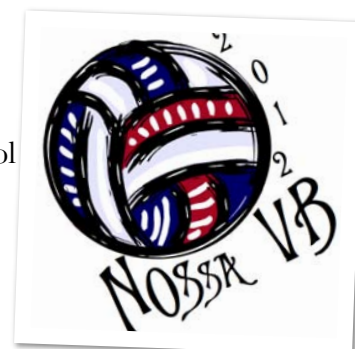

## RECOMMENDATIONS:

1. Emphasize the requirement of the AELS Eligibility List, which is a NOSSA requirement and is in the NOSSA constitution.
2. It is recommended that the Senior Final be a best 3/5 match to reflect the changes made at the OFSAA level - All playoff matches are now 3/5 (see notice of motion on next page)
