Final Comments/Motion to revise playing regulations:

Thank you to all participants, officials and spectators for a very successful NOSSA AA/AAA Girls' Basketball Championships for 2023. There were no issues during the competition, and all teams enjoyed the facilities and the organization of the event. Good luck goes out to our champions that will be representing NOSSA at OFSAA this year.

Moving forward, we as convenors would like to propose a modification to the existing playing schedule so that teams traveling the furthest do not play in the first set of games. That modification is as follows, moved by Ryan Culhane, 2nd by Rob Brady;

Convener Notes-2024 NOSSA Curling

- March 5-6/2024, North Bay Granite Club
- Results attached
- Congratulations to Marymount and Chippewa, girls' and boys' champions.

NOSSA Regs Curling recommendations:

- 1-the warmup length is not listed, 7 mins. is the current practice, it was in last year's regs but has been taken out.
- 2-there is no mention of tiebreaking procedure should it occur in pool play. First tiebreaker should be head-to-head, second tiebreaker should be draw to the button scores. Also, there needs to be a third tiebreaker if the draw scores are the same, for example if teams score a maximum on the draw they will remain tied...
- 3-Page 15, #6 Should be replaced with:
30 minutes prior to gametime, team vices will meet for a coin toss to determine first or second practice, first practice will be top of scoreboard (color), second practice will be bottom of scoreboard (color).

3. Problems encountered this year:

The championship final was problem free with the exception of the language regarding the consequences of ejected players. This language was unclear from the perspective of future consequences (i.e., eligibility in future games).

There were no issues with spectators, coach and player decorum or officiating.

4. Recommendations for next year:

The language regarding the future consequences of player ejections should be made more clear. It may be necessary to outline the responsibilities of the officials in terms of reporting to the convenor(s) as well as the nature of the consequences.

5. Financial statement:

See attached document.

Final Comments:

Thank you to all participants, officials and spectators for a very successful NOSSA 'A' Soccer Championships for 2023. There were no issues during the competition, and all teams enjoyed the facilities and the organization of the event.

There weren't any trophies brought to the competition from the respective regions that won them in previous years, thus only the banners and medallions were given out to the teams. Hopefully these trophies can be located and given to the champions from this year.

Good luck goes out to our champions that will be representing NOSSA at OFSAA this year.

AA/AAA Soccer Convenor's Report

Date: June 2-3, 2023

Venue: Sault Ste. Marie (Superior Heights Field)

1. (a) N.O.S.S.A. results

Semifinal #1 SMC def. KOR 1-0

Semifinal #2 SJSH def. SH 3-1

Finals – DNP St. Mary's claimed AA OFSAA; SJSH claimed AAA OFSAA

2. Names of winning coaches.

Winning Coaches: Carmine Coccimiglio (SMC)

3. Problems encountered this year.

Very hard to schedule field time and referees due to both North Bay and Sudbury only sending one team and almost sending none. Superior Heights petitioned to enter championship and won; making it a 5 team tournament.

4. Recommendations for next year.

If, it is a 4 team tournament, do not let the host city put in another team to make it a 5 team draw, creating uneven pools.

Friday May 26th, 2023

Event held at Manitoulin Secondary School

1. Champions:

Manitoulin Secondary School - Overall Team Champions

Coach : Chris Theijsmeijer

2. Problems Encountered this year:

We had a big discussion about the format. For my whole time as coach (17 yearsish) we've done an elimination tournament with semis, finals and consolation finals for 3rd and 4th).

NOSSA Playing Regs say we should be doing a Round Robin tournament:

“The NOSSA tournament shall be a four (4) team round-robin tournament with each district guaranteed one (1) entry. No playoff match will be played. If there is a tie between teams after the round-robin, the head-to-head matches between the tied teams will be the tiebreaker. If teams are still tied, the number of games will be looked at to break the tiebreaker.”

The time restriction on courts and length of day is tough for any kind of round robin type of format. It's likely a judgment call every year depending on how much court time North Bay has. We have lots of court time and Sudbury likely has the least.

3. The format for the tournament is somewhat restricted by availability of courts and the number of courts on site. We finished the tournament this year early (around 2pm) because Manitoulin Secondary has 4 courts to utilize for the day. This would likely mean that a Round Robin tournament would be possible if the location has sufficient courts. We would be looking at around 20 matches to complete the round robin plus then playoffs and finals. Having access to less than 4 courts may pose time constraints on completing a Round Robin NOSSA within one day.

RECOMMENDATIONS/CONCERNS

1. This year's event was preceded by an on-line (zoom) coaches meeting. We were able to field a lot of questions from coaches before teams arrived which was very beneficial.
2. Washroom facilities at Laurentian were overwhelmed. Port-a-potties were ordered through the city but were not delivered in time.
3. To mid-April, organizers still did not receive an invoice from Laurentian for the provision of parking guards.
4. Despite the hiring of parking guards, there was a lot of confusion about parking, bus transportation and access to free parking for officials. The logistics attached to host at Laurentian made larger events challenging to organize effectively.
5. There was an unfortunate error made in the North Region entries' qualification process that prevented a North Bay student from advancing. This led to a series discussion about changing the entire process, but in the end it will be status quo with a few tweaks implemented to facilitate a review process before the information is posted.

Results

Junior:

In round robin play, The St. Charles Cardinals went undefeated and faced off against the second place St. Mary's Knights. It was a close game, however the Cardinals won 2-1: 25-22, 22-25, 10-15. Chippewa Raiders ended in third place and Superior Heights Steelhawks ended in fourth place.

Senior:

In round robin play, the St. Mary's Knights went undefeated and faced off against the second place E.S.C. Champlain. Champlain defeated the Knights 3-0: 15-25, 26-24, 25-23. The Chippewa Raiders ended up in second place and Manitoulin placed fourth. ESC Champlain will be representing NOSSA at AA OFSAA.

Issues/Problems/Concerns:

No issues or concerns were mentioned.

Provincially rated officials were needed as Sault Ste. Marie does not have enough according to our constitution, so two officials were brought in from Sudbury. We also used officials to line the championship games.

Thank you to all the volunteers and everyone for helping to run a smooth NOSSA.

3. Problems encountered this year.

Since NSSSA choses the host school from the league finals, it is difficult to share a schedule more than a week before hand as we are not sure who will be hosting. This also makes it difficult to order NOSSA sweatshirt to have them in time. Also, we had to order Baden game balls and there seems to be a problem with them holding their air. The company does offer a 1 yr warranty, but a ball that expensive should last longer that a year.

4. Recommendations for next year.

I really don't have any, but now that I see this, I am wondering if these are shared with the next convenor so it may help them out.

5. Financial statement: Please submit the form indicating actual costs. You must decide with your sport committee how the total costs for your sport will be shared by the participating schools (ie. per team, per competitor or per competitor\event).

See attached

6. Include the following on a separate page:

(a) Playing regulation updates - Ensure that redundant information is deleted and new regulations submitted for next year.
