NOSSA ALPINE SKI REPORT 2013

Convener: Dan Bartolucci, Marymount Academy

Date: Wed, Feb 13th

Site: Adanac Ski Hill

Financial Report: Anticipated total expenses - \$ 1,575.00
Awaiting final invoice from Adanac Ski Club
Only other expense coffee & muffins for coaches, volunteers

Results: <http://sdssaa.rainbowschools.ca/pages/alpskiresult13.pdf>

OFSAA: Ward Kyle (Lockerby) – gold (level I giant slalom)
Lockerby girls – bronze (level II girls giant slalom)
Two additional team fourth place finishes

Convener Concerns:

- 1) Lack of coaches at the OFSAA organization meeting that immediately follows the NOSSA awards presentation.
- 2) Difficulty gathering information for OFSAA racers that had community coaches.
- 3) Tallying of overall results took too long. It was difficult to apply the new timing/results system to our own method of applying points and determining individual/team results.

Recommendations:

- 1) Ensure that all coaches who have athletes attending OFSAA are present at the post-NOSSA coaches meeting.
- 2) Develop a template that will make it easier for Dave to transfer results from the new timing system to the way in which the SDSSAA results are tallied.
- 3) Discuss with all coaches attending OFSAA the idea of staying on the Day 2 evening at Blue Mountain in order to take the pressure off of the morning. It would also allow SDSSAA athletes to attend the Day 2 awards ceremony.
- 4) Investigate the possible training of interested SDSSAA Alpine coaches for Level 1 race instructor certification.

POINTS TO CONSIDER

1. Consult with the kitchen staff regarding extra meals for parents who may arrive for just the banquet and not breakfast.
2. Number of players per game. If a player must leave during a game and the team in question only has 4 players, can the team finish with just 3 players if this happens once?
3. Teams should present themselves to the competition with at least 4 players, preferably with 5. A team should not present themselves with fewer than 4 players. (What should be done if this happens ???) (points 2 and 3 seem to be problematic mostly for local teams; work schedule, school work, just don't want to show up, ...)
4. If a coach disagrees with the ruling of the convener, who does the coach protest the decision to ???
5. A general check list of items to organise, consider for the competition should be made available to the convener. This will help a rookie convener. (I believe most conveners are rookie's)

NOSSA GOLF 2012

Wednesday Sept 26, 2012

SUMMARY

LOCATION: North Bay, Osprey Links Golf Course (par 71)

CONVENOR: Mark Hewitt (WFSS)
mark.hewitt@nearnorthschools.ca

63 players participated in this event

INDIVIDUAL CHAMPIONS

BOYS NICK QUESNEL (72) LOCKERBY - SDSSA

GIRLS JENNIFER SHEEHAN (96) SJSH - NDA

BOYS TEAM CHAMPIONS - Lockerby – SDSSA

The following boy's team has qualified to represent NOSSA at OFSSA

NICK QUESNEL - 72

JASON PICCO - 77

JAKE SANTI - 81

JORDANO CAZZOLA – 85

The two low scores who were not part of the winning team and have also qualified to attend OFSSA are:

FRANK ANZIL – St. Benedicts -77 (SDSSA)

MIKE GORDA –WFSS -77 (NDA)

(The above players were determined in a play-off format which lasted 2 holes)

The Boy's Golf Banner was presented to Lockerby and all members of that team were presented with medals.

Medals were also presented to the individual qualifiers to OFSSA

GIRLS TEAM CHAMPIONS

(As there was no school meeting the requirements of OFSSA, the following girls will form a team and have qualified to represent NOSSA at the OFSSA event).

The NOSSA girl's team banner was presented to SJSH, and medals were presented to the following NOSSA team members:

JENNIFER SHEEHAN (96) –SJSH (NDA)

JAIMEE REYNOLDS (102) –SJSH (NDA)

ELLISSA BERTUZZI (104) –Lively (SDSSA)

DANIKA BEAUDRY (105) – ESFC (NDA)

STEPHANIE DUPUIS (106) –ESFC (NDA)

LAUREN KYLE (107) – St. Benedicts (SDSSA)

- all other girl participants exceeded the score of 110

COACHES MEETING

- several items of concern were discussed: It was agreed by the majority present that these should be presented and adopted into the constitution regarding golf playing regulations at a future assembly.

- A motion presented by Richard Lachance (Northern) and seconded by Rob Zenatta (St. Charles) addressed the need to make sure that all participating teams register on-site no less than one hour before tee-time.
- There was some discussion around the problem of “no-shows” on the day of the tournament.
- There was shared concern about the communication between local conveners, (at the district level) and the NOSSA convener. On the day of the event some of the listed entrants are not present. (This was the case today and has been in the past)
- A motion was introduced by Mark Hewitt (WFSS) and seconded by Richard Lachance (Northern) that if a district convener sends a list of participants to the convener and a team or individual does not show up, their entry fee will be charged to that school, and in addition a final list of participants should be in the hands of the NOSSA convener no less than 48 hrs before the NOSSA event (exceptions only for exceptional circumstances like a local rainout in a qualifying event). There was some discussion around the idea of having a post determinant meeting after a local event to ensure everyone knows who has qualified to move on to the next level, and to address each schools commitment to attending that next event.
- This was carried by a majority of those in attendance.
- (it was noted that this seems to be a reoccurring problem especially with golf).
- A motion was presented by Rob Zenatta (St. Charles) and seconded by Richard Lachance (Northern) indicating all schools must be represented and supervised by a coach or staff member at each event. If a participant is to be

supervised by another individual, there must be signed consent from that schools principal.

- This was passed by those present.
- (at today's event there were some students who traveled without a supervisor from their school present)
- The meeting was adjourned.

NOSSA Convener's Report 2012

Location: Sault Ste Marie, John Rhodes (Jo Foreman Track)

Results: All results are available on line on the NOSSA web page.

Issues: There were the usual comments about the track surface being too hard, short of begging the City for new surfacing, I don't know how to correct this.
There were some issues with people not hearing the starter, we can perhaps give them a megaphone next time.
The hurdles were blowing over...this was just embarrassing and I hope it didn't end up on YouTube.

There might have been more, I cannot remember.

Convenor's Report

Congratulations to ESC Algonquin for winning the Junior Boys Championship (Coaches Pat Lalonde and Jean-François Renaud) and to Elliot Lake S.S. for garnering the Senior Championship (Coach Rodney Rouillard).

There were no problems encountered and the championship ran on schedule and all participating teams seemed happy with the event.

The only recommendation that is needed is to have the trophies located and updated. The playing regulations do not need to be updated.

I've included a schedule for the event in order to assist future convenors.

The Financial Statement is also attached. The profit is \$13,44. Since it is such a miniscule amount, this will go into the NDA account.

**Yours in sport,
Tim Lowe**

Recommendations:

- 1) The championship itself ran well using all the resources NOSSA makes available on its website. The only thing I can see to improve is the results after the championship are difficult to find if you are a casual observer. It would be nice to have a results section to the NOSSA website for all NOSSA results to be posted.

Respectfully submitted,

Recommendations to NOSSA:

1. For teams with two possible games (AA teams), NOSSA should consider reducing the length of the half from 45 minutes to 40 minutes.
2. Clarify the time between games and standardize it. Currently the Sault and Sudbury spread the AA games between 11 and 3 or 1 and 5. North Bay has them at 11 and 5. For the teams that must travel, that makes for a very long day. Bus companies also have a time limit for their drivers on the road.
3. Consider moving NOSSA Soccer to a Thursday to avoid all the conflicts with school proms or NOSSA track. Graduating players should not be torn between these two events.
4. We hope to have trophies for those divisions that do not have one: A Girls and Boys; AA Girls and Boys. Sudbury will secure these for the 2012-2013 school year and update them .

It was a pleasure meeting all the coaches and hosting this event for your players. All were very well behaved and represented their schools well. Please advise if there is anything further you require from us. Special thanks to Marymount Academy for providing six game balls for us to use at James Jerome and for the runners that got them back into play quickly.

Sincerely,

Dan Bartolucci and Lloyd Rebeiro

- ★ I would like to congratulate Anne Blanchette of E.S. Hanmer on capturing this years NOSSA "B" Volleyball Championship.
- ★ Thanks to all teams for notifying me well in advance of your participation in the tournament. This makes the event much easier to plan for.
- ★ We should look at joining the "B" Championship with the NOSSA "A" Championship in the future. The reason being, we have no games in between games(ex: Jr game then Sr game) that would allow for easier flow of the tournament.

Recommendations:

Any NOSSA Volleyball that involves only 2 teams be a 3 of 5 match.

Yours in Sport, *Sean Mullan*

Boys Volleyball

Refer to section 'Fewer than 4 entries:'

Change part 4 from:

'When a 3-team schedule is necessary, longer matches than 2 of 3 are suggested.'

To:

When a 3-team schedule is necessary, round robin matches be 2 of 3 and the final match be 3 of 5.

Rationale: Most leagues use 3 of 5 matches, therefore so should a NOSSA final. Current rule (above) needs to be 'firmed up'.

Mover: Sean Mullan (WSS)

Seconder: Dez Forget (CSS)

Boys Volleyball

Refer to section 'Fewer than 4 entries:'

Add #5. When a 2-team schedule is necessary, a 3 of 5 match (final) be played.

Rationale: Same as above. Currently there is nothing in the Constitution dealing with a 2 team championship. At the senior level, for the past 2 years there have been only 2 AAA schools competing at NOSSA. When a berth at OFSAA is at stake, and it is a single match, a 3 of 5 is the best way of determining who should represent the region.

Mover: Sean Mullan (WSS)

Seconder: Dez Forget (CSS)

Girl's Hockey

1. The A/AA champion was Collège Notre Dame
The AAA champion was St-Charles College

2. The winning coaches for Collège Notre Dame are :
J.C. Davis, Denis Piquette and Lynn Roy

St-Charles College was the automatic winner since there was no other competitor, therefore, the coach's names are unknown.

3. There was only one problem we encountered. One school in our district had sent their intent to participate but when it came time to organize the NOSSA schedule, they had decided to retract their participation. This caused issues with rental of ice. We managed to get rid of some of the extra ice we had booked but were mandated to pay for 1 and a half hours of ice time. The school has accepted to pay for the ice time.
4. The tournament was a great success, there are no recommendations for next year.

This schedule is a 4-team schedule. It will be a round-robin format and only the top two teams advance to the final game. All games will be played at Pete Palangio Arenas.

1. St. Charles, week of event, requested a change of schedule to accommodate Student/School Evening Function at their school. (request to play at 2pm or 3pm)

 - a. Followed NOSSA Schedule

- a.** NOSSA AA Girls Soccer (Incident Report)From Scollard Coach

Semi -Final

11 a.m. Cundari Field (North Bay) - St Mary's (Soo) vs St Joseph-Scollard Hall (North Bay)

After regulation time and overtime, the game moved to penalty kicks.

SJSH's 2nd shooter kicked before the ref's whistle and missed the net. The ref told her to retake the kick because she did not wait for his whistle. At centre half, neither coach objected to the ref's decision.

The SJSH 2nd shooters second attempt was a goal.

The p.k. session finished with St. Mary's (4) and SJSH (5), and SJSH went on to the final game.

After the game, the ref spoke to both coaches saying the p.k. was retaken b/c the player did not wait for his whistle. The St Mary's coach said he would protest the game.

Laurie Vezina
SJSH head coach

- b.** The convenor also verbally communicated with the head referee about the incident and he believed ruling was correct.

- d.** Decision was made that St. Joseph Scollard Hall remain winner of semi and played in championship game against St. Charles.
