Conveners must notify all schools of changes in playing dates at least one month in advance.

District Secretaries must bring a list of conveners to the Resolutions Meeting for activities for which their district is responsible. If a district is unable to host an activity due to a strike or work to rule, then the convenership of that activity will go to any other district who requests it.

THE PETE BEACH AWARD

The Pete Beach Award is named in honour of Mr. N. A. Pete Beach, a former Executive Director of O.F.S.A.A., who died in 1984. Mr. Beach recognized, early in his career, that school sport possessed a substantial and verifiable trait of the capacity to contribute beyond sport to a young persons's future career and life. For the next fifty years, he devoted his energy to the organizational development of school sport and thus to the service of young people.

In view of the complexity of the developmental process, it is a rare educator indeed who has the capacity to utilize the medium of school sport in such a way as to positively and sufficiently influence students in the remainder of their lives. That educator is one who consistently provides an impression of stability and optimism; one who enjoys the company, and the respect of young people; one who embodies and initiates by example, the highest traditions of the sports person; one who best typifies the true function of the teacher-coach - a source of discipline, a mentor and a friend.

<u>CRITERIA</u>	
1. During his/her career the nominee has been: a) Active as a teacher-coach. b) Active as a convener. c) Active in the administration of N.O.S.S. activities. d) Influential in the development of their student athletes as a source of discipline, as a mentor and as a friend.

ARTICLE XVII: N.O.S.S.A. TOBACCO-FREE POLICY**COMMITMENT**

NOSSA recognizes that there is ample research demonstrating the health hazards caused by the use of tobacco products, including smoking, smokeless tobacco and breathing second-hand smoke, and understand our responsibility to the participants of our program to model and promote tobacco-free lifestyles.

We stress to leaders, teachers, coaches, officials, parents, spectators, and all others involved, the importance of maintaining a tobacco-free environment while working with young people.

POLICY

All NOSSA games, activities, tournaments, competitions, sponsored events, and other performances will be tobacco-free. Tobacco free means no smoking, snuffing, dipping, or chewing tobacco by players/participants, coaches/leaders, parents, spectators, and officials.

<i>We will promote the tobacco-free policy at all our activities by:</i> ▪ Having coaches/leaders explain the policy to players/members and ask them to explain the policy to their parents and others who may come to their game/activity/performance. ▪ Including the policy in the NOSSA handbook and website so all new and returning participants, their parents/guardians, coaches/leaders and officials/managers know about the policy from the start. ▪ Making the policy visible throughout the year/season wherever possible, including logos on uniforms, banners at events and encouraging coaches and older players/members to promote active, healthy, tobacco-free lifestyles.	<i>We will reinforce the tobacco-free policy at all our activities by:</i> ▪ Encouraging all coaches/leaders, players/ members, and parents to respectfully remind someone using tobacco about the tobacco-free policy – being able to point to a tobacco-free logo on a uniform or banner makes this easier. ▪ Consistently applying consequences with people who repeatedly break the policy – repeated violations by players/members or their parent/guardian may result in a verbal and written warning from the coach/leader, or the association executive in the case of a repeat coach/leader violation. Following a written warning the individual violating the policy again may be asked to leave the activity or game.

GIRLS' BASKETBALL

HISTORY AND AWARDS:

The NOSSA basketball championships were resumed in 1952 with Sudbury as the host team. For some years prior, just exhibition games had been played. The trophy awarded in 1952 was a can covered with aluminum foil. North Bay took home the coveted award.

By the time the 1953 tournament had arrived a trophy had been donated by Mr. J. H. Owens, A North Bay business man. It was known as the Owens trophy.

Holder of the OWENS TROPHY:

1952 North Bay
1953 Sault Technical School
1954 Kirkland Lake

In 1957 the TRUSSLER Trophy, again a donation from a North Bay businessman, was awarded to the winner of the Senior League.

In 1955 Bumbacco Sports in Sault Ste. Marie donated a trophy to the winner of the Junior A and Senior B competition. It was won in 1955 and 1956 by Copper Cliff.

(Once a player has designated substitution partner in a set, that is the only player for which they may leave or re-enter in that set. Players may have a different substitution partner in subsequent sets.)

Should a team member's uniform become soiled due to contact with blood or other bodily fluid, a "substitute uniform" may consist of another team member's uniform or a spare jersey.

- b) The team having the best ratio of won/lost games, considering matches played between the tied teams, will be ranked higher.
- c) The team having the best ratio of won/lost games, considering all matches of the round robin, will be ranked higher.
- d) The team having the best ratio of points for/against, considering games played between the tied teams, will be ranked higher.
- e) The team having the best ratio of points for/against, considering all games played during the round, will be ranked higher.

VOLLEYBALL (cont'd)

When you apply this rule to break a tie you should follow this sequence:

1. When two teams are tied, the tie breaking criteria are applied one after the other until the tie has been broken.
2. When three or more teams are tied, the tie breaking criteria are applied one after the other until all the tied teams have been ranked.

Note: This means that if there is a tie among teams X, Y and Z and criteria "b" is able to determine X as first, Y as second and Z as third, then no further criteria are to be used. The tie is broken.

However, if criteria "b" determines X as first and there is still a tie between Y and Z, then the ranking of the remaining teams will be determined by proceeding to criteria "c" and so on, if necessary. Do not start at "a" again, continue through the sequence of criteria.

OFFICIALS:

The convener or her appointee(s) shall attempt to arrange for a sufficient number of provincially-rated (OVA) or higher-rated officials so that there will be at least one working each match of the tournament, and two working any final match. The official with the highest rating shall be the referee, not the umpire.

At the NOSSA Volleyball Tournaments (A, AA, AAA), the Convener, where possible, must use trained or rated people to serve as lines people.

CONVENER:

The convener shall appoint a Jury of Appeal consisting of the convener and one representative from each District to rule on any protests that may arise during the course of the tournament. If a member of this Jury is a coach whose team is involved in the protest, another representative will be appointed to assist in the ruling.

SCHEDULE:

All participating teams shall play an equal number of games on the Friday of the NOSSA Tournament.

The Convener is to inform outside districts of the exact time that they are to play their first match, so that travel arrangements can be made. The Convener has the discretion to change the playing schedule when two sites are utilized. The half hour rest between matches may not be possible due to schedule limitations.

Be it resolved that when two teams from the same district are involved in one particular NOSSA tournament, that the two teams from that same district play each other in the second round of the tournament (exception: 6 team draw)..
