SWIMMING - 4 motions

MOTION 1 – MAHONEY/BETTIG

Page Q-3, Section 2 (f) (ii) – Time Standards

WHEREAS: If more than 34 swimmers qualify for an event the new qualifying time for the next OFSAA Championship will be the average of the 24th times from the championship and the previous championship. If 30 to 34 swimmers qualify for an event the qualifying time remains unchanged. If less than 30 swimmers qualify for an event, then the new qualifying times is 1% slower than the current qualifying time.

AND WHEREAS: Members of the Swimming SAC believe that presently there are too many drastic swings in the number of swimmers that qualify for any one event. The above regulation required that the average of the 24th times from the previous two (2) championships be used to calculate the current championship's qualifying times. However, there are times when this data is not available because there weren't 24 qualifiers during one of the previous two (2)

years Championships. This meant that the Playing Regulations could not, in fact, be followed and resulted in problems for the SAC and the Championship convenor when establishing qualifying times.

BE IT RESOLVED THAT: Section 2 (f) (ii) be replaced with:

If more than 34 swimmers qualify for an event, the new qualifying time for the next OFSAA championship will be 1% faster than the current qualifying time. If 30 to 34 swimmers qualify for an event, the qualifying time remains unchanged. If less than 30 swimmers qualify for an event, then the new qualifying time is 1 % slower than the current qualifying time.

MOTION 2 – BETTIG/MAHONEY

Page Q-3, Section 4 (a)(b) - Expenses

WHEREAS: Those schools having entries are responsible for arranging and financing their own entry fee, and travel, meals and accommodation for the event.

AND WHEREAS: SAC believes, after consulting with past and present Swimming Convenors, that there are too many instances whereby fees have to be adjusted after the entry deadline has passed and this causes numerous issues (accounting, # of heats and lanes required, etc.) for the convenor. In most instances, scratches to individual and team numbers can be eliminated by greater care being taken by teacher-coaches when registering swimmers for individual and team events.

BE IT RESOLVED THAT: Add the following as 4 (b):

Entry fees are calculated based on information provided at the registration deadline and will be considered final, unless special circumstances occur. The convenor will determine whether special circumstances have occurred or not.

BE IT FURTHER RESOLVED THAT: The current 4 b) become 4 c).

MOTION 3 - BETTIG/WONG

Page Q-5, Section 5 (d) – Eligibility

WHEREAS: High school coaches who have swimmers participating in recreational or non-competitive swim programs may petition for eligibility in the High School Division through their Association convenor to the Chairperson of the OFSAA Sport Advisory Committee for Swimming or designate. Applications must be received by December 31st. NOTE: All petitions that are approved will expire at the end of the school year and must be re-petitioned by December 31st annually.

AND WHEREAS: The Swimming SAC believes that the responsibility for petitions regarding eligibility should be the teacher-coach's alone and that the Association Convenor need only be notified once the petition has been considered. Removing the need to go through the Association Convenor will improve the timeliness of processing the petitioner's request and allow for better communication between the petitioner and the SAC Chair or designate. As well, SAC believes that there should be a clear statement added to the end of this regulation that directs petitioners to the proper location of the required form.

BE IT RESOLVED THAT: Section 5 (d) be replaced with:

High school coaches who have swimmers participating in recreational or non-competitive swim programs may petition for eligibility in the High School Division through the Chairperson of the OFSAA Sport Advisory Committee for Swimming or designate. Applications **are available on the Championship website and on the forms section of the OFSAA website** and **must** be received by December 31st. NOTE: All petitions that are approved will expire at the end of the school year and must be re-petitioned by December 31st annually.

MOTION 4 - BETTIG/WONG

Page Q-5, Section 7 (a) (iii) - Uniforms and Equipment

WHEREAS: Swimmers will be permitted to wear swim suits that contradict the SNC guidelines for cultural, gender and/or religious reasons at the discretion of the competition coordinator.

AND WHEREAS: SAC believes that this regulation is improperly placed and should be in the sport specific section of Section 7. As well, SNC (Swim Natation Canada) has also deemed that the term "meet referee" is no longer appropriate (as referenced in Section 7 (b)) and therefore it is to be replaced with the term "competition coordinator".

BE IT RESOLVED THAT: Section 7 (a) (iii) be deleted and become Section 7 (b). Further, Section 7 (a) (iv) become Section 7 (a) (iii) and 7 (a) (v) become Section 7 (a) (iv).
