

Hello Association Convenors- I apologize for this late notice, but I feel your Association schools/coaches will be pleased with this.

OFSAA has gained approval from their Lawyers and Insurers to revise how many forms need to be uploaded to the HUB.

While it won't reduce the paper at your end, it should reduce the time you or your AD needs to spend uploading forms

All the information is on the OFSAA XC Site below:

<https://www.ofsaa.on.ca/championship/cross-country-running/for-coaches/coaches-information/>

In summary:

**OFSAA Supervision Form**- these are to be handed in at Association Championships and along with OFSAA Entry fees for your Association and OFSAA Participation fees ( 1 cheque each) couriered to David Tepper at Newtonbrook HS

**Forms to be uploaded:**

**OFSAA Eligibility/ roster sheet**

**Student Waiver of Understanding ( a checklist)**

**Coach Confirmation of Release ( a checklist)**

**\*\*Para registration ( ONLY if you have Para runners)\***

**Forms NOT required to be uploaded, but reviewed by coaches/athletes**

- OFSAA Behaviour Form
- Student- Athlete- Parent Concussion Review
- Informed Consent ( under 18) and/or ADult Release of Liability ( 18+)
- Photo Release

Also- Coaches are to review the Coach/ Trainer concussion form

Again- this is all on the OFSAA XC website at the link above and is very self-explanatory once schools log on to the HUB to do their registration.

Hopefully, this makes sense! **Please communicate this to your member schools in advance of your Association meets next week**

Thank you

Tim Larry, on behalf of the OFSAA 2023 XC Convenors David, Glenn and Marco
